Assignment

WHEREAS, the following inventor, namely **Michael POCOCK** (hereinafter called "Assignor"), a resident of Belize and a citizen of Canada, having made or discovered certain new, useful and non-obvious improvements in various inventions for which 1) United States Patent No. 5,661,787 was issued on August 26, 1997, 2) United States Patent No. 6,314,577 was issued on November 6, 2001, 3) United States Patent No. 7,574,721 was issued on August 11, 2009, and 4) United States Patent No. 8,032,907 was issued on October 4, 2011 (hereinafter called "Issued Patents"); and,

WHEREAS, **Global Interactive Media, Inc.**, a corporation organized under the laws of the country of Belize, having a registered place of business at 84 Albert Street, Belize City, Belize, Central America (hereinafter referred to as "Assignee"), is desirous of acquiring Assignor's entire right, title and interest in the Issued Patents;

NOW, THEREFORE, BE IT KNOWN that for and in good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, Assignor does hereby sell, assign and transfer unto said Assignee the entire and exclusive worldwide right, title and interest in the Issued Patents. The aforesaid assignment includes the right in and to all income, royalties, damages and payments, now or hereafter due or payable with respect to the Issued Patents, and in and to all causes of action (either in law or in equity), and the right to sue, counterclaim, and recover for past, present and future infringement of the rights assigned or to be assigned under this Assignment, as fully and entirely as the same would have been held and enjoyed by Assignor if this sale, assignment and transfer had not been made.

Assignor covenants and agrees, without further compensation to said Assignor but at Assignee's expense:

- a. to execute:
 - i. all papers to be used in connection with the Issued Patents and any substitute, inter partes review or reissue application thereof, as the Assignee may deem necessary or expedient, and
 - ii. all papers in connection with any interference, , inter partes review, litigation, mediation, arbitration or other proceeding relating to the Issued Patents or any substitute, inter partes review or reissue application thereof, as may be necessary or expedient;
- b. to cooperate with the Assignee in every way possible in obtaining evidence and going forward in any interference, inter partes review, litigation, mediation, arbitration or other proceeding relating to the Issued Patents or any substitute, inter partes review or reissue application thereof;
- c. to communicate to the Assignee any facts relating to the Issued Patents or any substitute, inter partes review or reissue application thereof, and including evidence for any interference, inter partes review, litigation, mediation, arbitration or other proceeding relating to the Issued Patents, whenever requested;
- d. to testify in any interference, inter partes review, litigation, mediation, arbitration or other proceeding relating to the Issued Patents or any substitute, inter partes review or reissue application thereof whenever requested; and
- e. to perform all other affirmative acts which may be necessary or desirable to vest in Assignee the complete title to the Issued Patents hereby conveyed and to enable Assignee to record title.

Assignor hereby represents, covenants and warrants that he has the full right to convey the entire right, title and interest by this instrument, free of any encumbrances and that no other agreement has been or will be executed in conflict herewith.

The provisions of this Assignment are binding upon Assignor's heirs, legal representatives and/or administrators and assigns.

Assignor hereby grants to the law firm of Jefferson IP Law, LLP of Washington, DC and its attorneys and agents as associated with Customer No. 68103 the authority and power to insert on this instrument any further identification which may be necessary or desirable for purposes of recordation in the United States Patent and Trademark Office or a Patent Office of any foreign country.

Signature of Inventor:
