ASSIGNMENT

In consideration of One Dollar (\$1.00), and other good and valuable consideration, the receipt of which is hereby acknowledged, the undersigned entity:

Name	Research Foundation of the City University of New York	
Address:	230 West 41st Street New York, NY 10036	Citizenship: US

declares that it is a not-for-profit educational corporation chartered by the State of New York and having a place of business as listed above,

Hereby sells, assigns and transfers its undivided interest to **Robert R. Alfano**, an individual of the State of New York, Country of United States, hereafter called the "Assignee," having a place of business at: 3777 Independence Avenue, Bronx, New York 10463.

To their successors, assigns and legal representatives, the entire right, title and interest for the United States and worldwide, in and to the invention and any and all improvements which are described and claimed in the following related patent applications:

1. Patent Application No. 12/723,091, filed 3/12/2010; and
2. Provisional Patent Application No. 61/209,969, filed 3/13/2009

Entitled: **METHOD AND APPARATUS FOR PRODUCING SUPERCONTINUUM LIGHT FOR MEDICAL AND BIOLOGICAL APPLICATIONS**

and in and to said application and all divisional, continuing, substitute, renewal, reissue, and all other applications for Letters Patent which have been or shall be filed in the United States or worldwide on any of said improvements; and in and to all original and reissued patents which have been or shall be issued in the United States or worldwide on said improvements;

Agrees that said Assignee may apply for and receive Letters Patent for said improvements in its own name; and that, when requested, without charge to but at the expense of said Assignee, their successors, assigns and legal representatives, to carry out in good faith the intent and purpose of this assignment, the undersigned will execute all divisional, continuing, substitute, renewal, reissue, and all other patent applications on any and all said improvements; execute all rightful oaths, declarations, assignments, powers of attorney and other papers; communicate to said Assignee, their successors, assigns and representatives, all facts known to the undersigned relating to said improvements and the history thereof; and generally do everything possible which said Assignee, their successors, assigns or representatives shall consider desirable for aiding in securing and maintaining proper patent protection for said improvements and for vesting title to said improvements and all applications for patents and all patents on said improvements, in said Assignee, their successors, assigns and legal representatives; and

Covenants with said Assignee, their successors, assigns and legal representatives that no assignment, grant, mortgage, license or other agreement affecting the rights and property herein conveyed has been made to others by the undersigned, and that full right to convey the same as herein expressed is possessed by the undersigned.
