G L O B A L G E N E R A L A S S I G N M E N T

WHEREAS I, the undersigned inventor(s) herewith declare that I am the sole inventor and I have made certain invention(s), as set forth in a patent application (including industrial designs and utility models), whether claimed or unclaimed, entitled HANDLE FOR A RAZOR, Attorney's Docket No. D-2241 and filed in the United States Patent Office as Number 29/504,536, on October 16, 2014.

David Scott WHETSTONE of 348 6th Street, San Francisco, CA 94103 USA;

I made said invention(s) set forth in said patent application while employed by, or otherwise under an obligation to assign said invention(s) to ASTRO STUDIOS or one of its Affiliates, and acknowledge my obligation at the time the invention(s) was made to assign said invention(s) to ASTRO STUDIOS or the Affiliate, respectively. Pursuant to said obligation (and in the case of employment by or obligation to the Affiliate, at the request of the Affiliate), and/or for valuable consideration, the receipt and sufficiency of which are hereby acknowledged, I assign to ASTRO STUDIOS, its legal representatives, successors and assigns, all right, title, and interest, in the United States and throughout the world, in, to and under said invention(s) and all patents, patent applications, patent rights, and inventor's certificates thereof, therefore, and therein, including without limitation said application, all divisions and continuations thereof, all patents which may be granted thereon, all reissues and extensions thereof, all patents which may be granted for said invention(s) by states or nations other than the United States, or by other authority, entity, or organization, and all applications therefore (including the right to claim priority of the filing date of said application in the United States and/or under international conventions), as fully and completely as the same would have been held by me had this assignment not been made. The entire right, title and interest shall vest irrevocably in ASTRO STUDIOS. I further agree upon request, without additional compensation but at no expense to me, to execute or assent to any and all applications for said invention(s), and to execute all other legal documents as may be necessary or desirable to vest the enjoyment of the rights assigned to ASTRO STUDIOS, its legal representatives, successors and assigns, or as said Company may direct.

I request and authorize the Commissioner of Patents and Trademarks and/or appropriately empowered officials of foreign countries to issue any and all Patent(s) and/or letters patent(s) which may be granted for said invention(s) herein assigned and as set forth in U. S. Application Serial Number 29/504,536 to ASTRO STUDIOS, its legal representatives, successors or assigns, as the sole owner of the entire right, title, and interest in said Patent(s).

This GLOBAL GENERAL ASSIGNMENT is effective as of the earlier of 1) the date of execution shown below, or 2) the filing date of the first-filed of said patent application(s).

Signed: David Scott Whetstone
David Scott WHETSTONE
