ASSIGNMENT AND AGREEMENT

For value received, we, **Dr. Paul J. Gilbert**, residing in the town of Payson, in County of Gila, in the State of Arizona and **Rafal Chudzik**, residing in the town of Peoria, in County of Maricopa, in the State of Arizona, hereby sell, assign and transfer to Right Biometrics, a corporation of the State of Arizona, having an office at 6900 E. Camelback Road, Suite 210, Scottsdale, Arizona 85250, U.S.A., and its successors, assigns and legal representatives, the entire right, title and interest, for the United States of America, in and to certain inventions related to **FLUID CHARACTERISTIC INDICATOR** specification of which *was filed on December 12, 2014 with Serial No. 14/368,942* for Letters Patent of the United States, executed by us of even date herewith, and all the rights and privileges in said application and under any and all Letters Patent that may be granted in the United States for said inventions; and we also concurrently hereby sell, assign and transfer to Right Biometrics the entire right, title and interest in and to said inventions for all countries foreign to the United States, including all rights of priority arising from the application aforesaid, and all the rights and privileges under any and all forms of protection, including Letters Patent, that may be granted in said countries foreign to the United States for said inventions.

We authorize Right Biometrics to make application for such protection in its own name and maintain such protection in any and all countries foreign to the United States, and to invoke and claim for any application for patent or other form of protection for said inventions, without further authorization from us, any and all benefits, including the right of priority provided by any and all treaties, conventions, or agreements.

We hereby consent that a copy of this assignment shall be deemed a full legal and formal equivalent of any document which may be required in any country in proof of the right of Right Biometrics to apply for patent or other form of protection for said inventions and to claim the aforesaid benefit of the right of priority.

We request that any and all patents for said inventions be issued to Right Biometrics in the United States and in all countries foreign to the United States, or to such nominees as Right Biometrics they may designate.

We agree that, when requested, we shall, without charge to Right Biometrics but at its expense, sign all papers, and do all acts which may be necessary, desirable or convenient in connection with said applications, patents, or other forms of protection.
