WHEREAS, Nicola Ionfrida, a citizen of Italy who resides at Via Ugo La Malfa 13/G, 20068, Peschiera Borromeno, Milan, Italy, Paolo Cardinale, a citizen of Italy who resides at Via Marconi 20, 20069 Vaprio d'Adda, Milan, Italy, and Carlo Comis, a citizen of Italy who resides at via Gomes 6, 10124 Milan, Italy ("Assignors"), have made the inventions ("Inventions") described in the patent application titled WEB PORTAL APPLICATION CUSTOMIZATION METHOD AND SYSTEM USING PROFILES, which will be filed in the European Patent Office bearing attorney docket number 10022/1565, and the counterpart patent application which will be filed in the United States Patent and Trademark Office under attorney docket number 10022/1566 ("Patent Applications");

WHEREAS, Accenture S.p.A., an Italian company having a place of business at Largo Donegani 2, Milano, Italy ("Assignee") desires to acquire the entire right, title and interest in and to said Inventions, said Patent Applications identified above, all corresponding patent applications, and in and to any Letters Patent or Patents obtained therefore or thereon in the United States or in any other country;

NOW, THEREFORE, for good, valuable and legally sufficient consideration for the Assignors, the receipt of which is hereby acknowledged by the Assignors, the Assignors have sold, assigned, transferred and set over, and as demonstrated by this Assignment do sell, assign, transfer and set over unto said Assignee, the entire right, title and interest in and to the Inventions and Patent Applications, and any and all Letters Patent or Patents in the United States of America and all foreign countries which may be granted therefor or thereon, and in and to any and all divisions, continuations and continuations-in-part of any such application, or reissues, reexaminations, renewals and extensions of said Letters Patent or Patents; and the full right to claim for any such applications all benefits and priority rights under any applicable convention, treaty or legislation, and the right to sue and obtain relief, including damages, profits and an injunction, for any infringement occurring before or after issuance of said Letters Patent or Patents; the same to be held and enjoyed for the sole and exclusive use and benefit of the Assignee, its successors and assigns, to the full end of the term or terms for which Letters Patent or Patents may be

For the above-recited consideration, the Assignors hereby covenant and agree to execute and deliver to the Assignee, its successors, legal representatives or assigns, all papers and documents that may be required to carry out the terms of this Assignment, and take all lawful oaths, provide testimony, and do all lawful acts necessary or required to be done to reasonably assist said Assignee, its successors, legal representatives or assigns in any interference, litigation or other proceeding in any country concerning or in connection with any inventions, patent applications, Letters Patent or Patents assigned hereunder; or for the prosecution, procurement, maintenance, enforcement and defense of Letters Patent or Patents for the Inventions and Patent Applications, or to carry out the terms of this Assignment, or vest in the Assignee, its successors and assigns, exclusive title in and to all inventions, patent applications, Letters Patent or Patents assigned hereunder, without further compensation from said Assignee, its successors, legal representatives or assigns, except for reasonable costs and expenses of the Assignors incident to such assistance and approved in writing by said Assignee, its successors, legal representatives or assigns before any such costs or expenses are incurred, while employed by Assignee. The Assignors agree to assist Assignee as noted above in this paragraph even after the term of employment by Assignee, if Assignee deems that any Assignor's assistance is necessary in any proceeding. Assignee agrees to compensate the Assignors for such assistance according to mutually agreeable and reasonable terms.
