PATENT ASSIGNMENT

THIS AGREEMENT FOR ASSIGNMENT OF PATENT RIGHTS ("Agreement") is made effective as of the 5 day of December, 2014 (the "Effective Date"), by and among Dominic Tenuta an individual citizen of the United States of America, residing at 28 PARK AVE, VINEYARD HAVEN MA 02568 ("Assignor") and Jeff Gilesple, an Individual citizen of the United States of America, residing at 720 South Collier Boulevard, Marco Island, Florida 34145 ("Assignee") (hereinafter referred to collectively as the "Parties").

WHEREAS, Assignor is a co-inventor of a novel Exercise Device for Pull Ups, further identified as U.S. Patent Application No. 13/205,811 and U.S. Patent No. 8,808,147, (hereinafter referred to as ("the '147 patent" or "said invention(s)");

WHEREAS, Assignee is desirous of obtaining all rights, title and interest in, to and under the '147 patent;

NOW, THEREFORE, for good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, Assignor has sold, assigned, transferred and set over, and by these presents does hereby sell, assign, transfer and set over to the Assignee all right, title and interest in, to and under the '147 patent including but not limited to the right to exclude others from making, using, offering for sale, selling, or importing into the United States the invention claimed in the '147 patent, including the exclusive right to sue, the right to apply for any Letters Patent of the United States of America and in any and all foreign countries on the said invention(s), and any and all other applications for Letters Patent on said invention(s), in whatsoever countries, including all divisional, renewal, substitute continuation, continuation-in-part and convention applications based in whole or in part upon said invention(s) or upon the '147 patent, and any and all Letters Patent which may issue thereon in the United States and foreign countries, and any and all reissues, extensions, renewals, divisions, continuations or continuations-in-part of the '147 patent, or other Letters Patent granted for said invention(s), to the full term or terms of the '147 patent or for which said Letters Patent may be issued, and every priority right that is or may be predicated upon or arise from said invention(s) and the '147 patent, the same to be held and enjoyed by the Assignee for his own use and benefit fully and entirely as if the same would have been held and enjoyed by me had this Assignment not been made. Assignor hereby authorizes the Assignee to file patent applications in any and all

countries on any or all of said invention(s) in Assignee's name, as the Assignee may deem advisable, under the International Convention or otherwise.

Assignor does hereby authorize the Commissioner of Patents and Trademarks of the United States, and any official of any other country empowered to issue patents, to record this Assignment, and to issue or transfer all rights title and interest to the '147 patent to the Assignee as owner of all right, title and interest therein, or otherwise as the Assignee may direct, in accordance with the terms of this Assignment.

Assignor does hereby represent and warrant that he has the full right to convey the entire right and interest herein assigned, that subject to said action there are no other rights or interests outstanding inconsistent with the rights and interests granted herein, and that Assignor will not execute any instrument or grant or transfer any rights or interests inconsistent with the rights and interests granted herein.

Assignor does hereby covenant and agree that Assignor will, upon request of the Assignee, communicate to the Assignee any facts known to Assignor relating to the '147 patent or said invention(s) and the history thereof, testify in any legal proceeding, execute all lawful papers, including without limitation all divisional, continuing and reissue applications and all rightful oaths and declarations, and generally do all further acts which may be deemed necessary by the Assignee to obtain and enforce proper patent protection for said invention(s) in all countries.

Governing Law & Jurisdiction

This Assignment and the parties' actions under this Assignment shall be governed by and construed under the laws of the state of Florida, without reference to conflict of law principles. The parties hereby expressly consent to the jurisdiction and venue of the federal and state courts within the state of Florida.

Entire Agreement

This Assignment, constitutes the entire Assignment between both parties concerning this transaction, and replaces all previous communications, representations and understandings,
