ASSIGNMENT

WHEREAS, we, Nick T. Maris, James S. Miller, Timothy Bachman, and Nathan Schlueter, have made certain inventions which are described in a patent application for Letters Patent of the United States entitled **COMPRESSION DEVICE** executed by us on even date herewith preparatory to obtaining United States Letters Patent therefore, and

WHEREAS, **Somna Therapeutics, LLC**, a Wisconsin Domestic Limited Liability Company (hereinafter called **Company**) having a place of business at W175 N11081 Stonewood Drive, Germantown, WI 53022, is desirous of acquiring the entire interest in said inventions throughout the United States of America and the territories thereof and for all foreign countries.

NOW, THEREFORE, for and in consideration of One Dollar (\$1.00) to us in hand paid, and other good and valuable consideration, receipt whereof is hereby acknowledged, we hereby sell, assign, and transfer unto said **Company**, its successors and assigns, effective retroactively from the date of making said inventions, the entire right, title and interest throughout the United States of America and the territories thereof and for all foreign countries, in and to said inventions, the aforesaid application, and all other applications hereafter filed in the United States and any other country based in whole or in part on said inventions, and all Letters Patent granted upon said application by the United States and any other country, and we do hereby authorize and request the Director of the United States Patent and Trademark Office to issue said Letters Patent to said **Company**. We further grant to said **Company**, its successors and assigns, the right to claim for any of said applications the full benefits and priority rights of any international agreement between the United States and any foreign country or countries.

We hereby warrant that we have the full right to make the conveyance herein, and we hereby covenant that we, our heirs, legal representatives and assigns, will, when requested, communicate to said **Company**, its representatives, successors and assigns, all facts known respecting said inventions, execute all applications including regular, divisional, continuing, reissue, reexamination and foreign applications together with individual assignments therefor, make all rightful oaths, sign all lawful papers, testify in any legal proceeding and generally do everything possible to aid said **Company**, its successors and assigns, in the obtaining of Letters Patent.

IN TESTIMONY WHEREOF, we have hereunto set our hands and seal on the date indicated below our signatures.
