## ASSIGNMENT

This ASSIGNMENT by Chuong Nguyen residing at 8 Alamosa Court, Simpsonville, SC 29681 (hereinafter referred to as the "Assignor"), certain new and useful improvements described in the Application for Letters Patent of the United States entitled: GEARBOX HOUSING, which is a Design application having:

Serial No. 29/500,903 filed on August 29, 2014 ("the Application")

For good and sufficient consideration, the receipt of which is hereby acknowledged, each Assignor agrees to assign, and hereby does assign, transfer and set over to Baldor Electric Company, a corporation duly organized under the laws of Missouri, and having a principal place of business at 5711 R.S. Boreham, Jr. Street, Fort Smith, Arkansas 72902, (hereinafter referred to as the Assignee) his or her entire right, title and interest in the Application and the invention(s) described therein as well as the right to claim priority from the Application in the United States, its territories, dependencies and possessions, and for all other national jurisdictions and international entities that have the power to grant patents or industrial design registrations as the case may be, wherever situated. The foregoing assignment includes, without limitation, all applications for patent or industrial design registration which claim priority to and/or the benefit of the subject matter disclosed in the Application, as well as any continuation application, divisional application, continuation-in-part application, reissue application, reexamination application, patent interference proceeding, and any foreign national application and/or any application filed or to be filed under a patent treaty such as the International Convention for Protection of Industrial Property and/or the Hague Agreement Concerning the International Deposit of Industrial Designs and any Letters Patent or Industrial Design Registrations which may be granted therefor in any jurisdiction.

Each Assignor agrees to execute all papers and documents and perform any act which may be necessary in connection with claims or provisions of the International Convention for Protection of Industrial Property and/or the Hague Agreement Concerning the International Deposit of Industrial Designs.

Each Assignor agrees to perform all affirmative acts which may be necessary to obtain a grant of a valid United States Patent to the Assignee including the duty to disclose to the United States Patent and Trademark Office all information known to the Assignor to be material to the patentability of the U.S. patent application for this invention as defined in Section 1.56 of Title 37 Code of Federal Regulations.

Each Assignor agrees to and with the Assignee, its successors, legal representatives, and assigns that the Assignors will, whenever counsel of the Assignee, or the counsel of its successors, legal representatives, and assigns, shall advise that any proceeding in connection with said inventions or said applications for Letters Patent or Industrial Design Registrations, or any proceeding in connection with Letters Patent or Industrial Design Registrations for said inventions in any country, including interference proceedings, is lawful and desirable, or that any application claiming priority to said application, division, continuation, or continuation-in-part of any applications for Letters Patent or Industrial Design Registrations, or any reissue or extension of any Letters Patent or Industrial Design Registrations to be obtained thereon, is lawful and desirable, sign all papers and documents, take all lawful oaths, and do all acts necessary or required to be done for the procurement, maintenance, enforcement, and defense of Letters Patent or Industrial Design Registrations for said inventions, without charge to the Assignee, its successors, legal representatives, and assigns, but at the cost and expense of the Assignee, its successors, legal representatives, and assigns.

Each Assignor hereby authorizes and requests the Director of the United States Patent and Trademark Office to issue any and all Letters Patent of the United States resulting from the Application or any divisions or continuing applications thereof to the Assignee of the entire interest in the inventions and hereby

covenant that he or she has the full right to convey the entire interest herein assigned, and that he or she has not executed and will not execute, any agreement in conflict herewith.

Each Assignor hereby authorizes and requests the attorneys of the ABB Inc. Intellectual Property Law Department located in Wickliffe, OH to insert in this Assignment any further identification that may be necessary or desirable in order to comply with the rules of the United States Patent and Trademark Office or with the rules of any other national or international Patent Office for recordation of this document or a true copy thereof.

Signature of Assignor: C. Nguyen Date 10/16/14
