ASSIGNMENT

WHEREAS, we David Flosser, Patricia Garcia, Larry S. Corley, Bedri Erdem and Lucy Phan have made a certain invention for which application papers for a New United States Non-Provisional Patent Application entitled *Curing Agent for Epoxy Coatings* with Attorney Docket Number 14-18-EP01.US, were filed on December 19, 2014, and assigned USSN 14/576,848.

WHEREAS, Momentive Specialty Chemicals Inc., a New Jersey corporation, has equitable rights in and to this invention and desires to confirm such rights and to acquire all right, title and interest in and to said invention.

NOW THEREFORE, for valuable consideration received, we hereby sell, assign, and transfer to Momentive Specialty Chemicals Inc., its successors and assigns, all right, title and interest in and to said invention in the United States and in all other countries throughout the world; including without limitation those in and to the above-named application and any continuation, continuation-in-part, substitute or division application thereof and the patent or patents which may be issued thereon in the United States and any reissue of any such patent, and those in and to any application or patent or utility model in any and all such other countries of the world, and further including the right to file further applications in all countries throughout the world in the name of Momentive Specialty Chemicals Inc., or whomsoever that company may nominate, and to claim the priority of the above-named United States application under provisions of international conventions or treaties.

With respect to any country where for the filing of such an application and/or the transfer of priority rights a separate deed of sale, assignment or transfer is required, we will undertake, at the request of Momentive Specialty Chemicals Inc. to execute such separate deed to Momentive Specialty Chemicals Inc. or to whomsoever that company may nominate.

And we hereby agree that WE will, upon request, execute any instrument which Momentive Specialty Chemicals Inc. desires to carry this assignment in effect, and perfect the title transferred hereby, or to prosecute any of the above-mentioned United States applications or any foreign application on this invention.

And the Commissioner of Patents of the United States is hereby authorized to issue Letters Patent on said above-named application and on any continuation, continuation-in-part, substitute or division thereof to Momentive Specialty Chemicals Inc.

IN WITNESS WHEREOF, this assignment has been executed by us on the date(s) below.
