ASSIGNMENT

IN CONSIDERATION OF TEN DOLLARS (\$10.00) and other valuable consideration, the receipt and sufficiency of which are hereby acknowledged, I, Theodore Casey ("ASSIGNOR"), a U.S. citizen with a residential address at 17400 Woods Edge Drive, Dallas, TX 75287 and being the sole inventor and having made an invention in CONTAINER WITH MIXING BLADE does hereby ASSIGN, SELL and CONVEY to DryBev International, Inc., a corporation organized under the laws of the Federation of Saint Kitts and Nevis, with a business address of Main Street, P.O. Box 556, Charlestown, Nevis ("ASSIGNEE"), and its successors and assigns, the entire right, title and interest throughout the world in and to:

1. Said invention in CONTAINER WITH MIXING BLADE;
2. United States of America patent application on said invention, filed as U.S. Nonprovisional Patent Application Serial No. 14/593,763 on January 9, 2015 (Attorney's File No. 1561-0035), entitled CONTAINER WITH MIXING BLADE;
3. All applications for patent or like protection on said invention that have now been or may in the future be made by ASSIGNOR or his legal representatives, including any non-provisional, continuation, continuation-in-part and any other utility applications that may be based on this invention, whether in the United States of America or any other place anywhere in the world;
4. All patents and like protection that have now been or may in the future be granted on said invention to ASSIGNOR or his legal representatives, whether in the United States of America or in any other country or place anywhere in the world;
5. All substitutions for and divisions, continuations, continuations-in-part, renewals, reissues, extensions, and the like of said applications and patents and like grants, including without limitations, those obtained or permissible under past, present and future law and statutes;
6. All rights of action on account of past, present and future unauthorized use of said invention for infringement of said patents and like protection;

7. The right to ASSIGNEE to file in its name applications for patents and like protection for said invention in the United States and in any country or countries foreign to the United States; and
8. All international rights of priority associated with said invention, applications, patents and like protection;

and I covenant that I, my heirs, legal representatives, assigns, administrators, and executors will at the expense of ASSIGNEE, its successors and assigns, execute all papers and perform such other acts as may be reasonably necessary to give ASSIGNEE, its successors and assigns, the full benefit of this Assignment.

EXECUTED at Dallas, Texas on the date indicated below, opposite my signature.
