**ASSIGNMENT  
(Worldwide Rights)**

WHEREAS, we, the undersigned inventors ("Assignors"), have made certain new and useful inventions and discoveries relating to

**DISPLAY SCREEN OR PORTION THEREOF WITH  
GRAPHICAL USER INTERFACE**

for which a United States Design Patent Application, Serial No.29/500,717, was filed on August 27, 2014; and

WHEREAS, each of the undersigned Assignors acknowledges that the designated assign of our employer at the time of the invention, **JANSSEN PHARMACEUTICA NV** ("Assignee"), a Belgium corporation having an address of Turnhoutseweg 30, B-2340 Beerse, Belgium, has acquired and is desirous of documenting Assignee's entire right, title, and interest therein;

NOW, THEREFORE, BE IT KNOWN that for and in consideration of the sum of One Dollar and other valuable considerations, the receipt of which is hereby acknowledged, Assignors have sold, assigned, and transferred, and do hereby sell, assign and transfer unto Assignee their entire right, title and interest in and to all said inventions disclosed in said application, and in and to said application and all applications based thereon, including but not limited to the above identified United States Patent Application and in all divisions, continuations, and continuations-in-part of said application, or reissues or extensions of Letters Patent or Patents granted thereon, and in all corresponding applications filed in countries foreign to the United States, and in all patents issuing thereon in the United States and foreign countries; the right, power and authority to file and prosecute U.S. and foreign patent applications on said invention, including the right to claim the priority and benefits of the applicable International Convention for such applications; the same to be held and enjoyed by said Assignee, its successors and assigns, as fully and entirely as the same would have been held and enjoyed by Assignors if this assignment and sale had not been made;

And Assignors hereby authorize and request the United States Patent and Trademark Office and foreign Patent Offices to issue said Letters Patents in accordance with this assignment;

And for the consideration aforesaid, Assignors further covenant and agree that they will, whenever requested, but without cost to them, promptly communicate to Assignee or its representatives any facts known to them relating to said inventions and discoveries, testify in any

interference or legal proceedings involving said inventions and discoveries, and execute any additional papers that may be necessary to enable said Assignee or its representatives, successors, nominees, or assigns to secure full and complete protection for said inventions, and discoveries or that may be necessary to vest in Assignee the complete title to said inventions, and discoveries and patents hereby conveyed and to enable it to record said title.

Each of the Assignors further covenants to have the full right and obligation to convey the interest assigned under this Assignment, and not to have executed and not to executed and not to execute any agreement in conflict with this Assignment.

Assignors hereby authorize Assignee and Assignee's representatives to enter into this assignment information identifying official serial number and filing date when such information becomes available. Assignors' signatures are provided on the following pages.
