PATENT SECURITY AGREEMENT
(SHORT-FORM)

PATENT SECURITY AGREEMENT, dated as of December 19, 2014 (this "**Agreement**") among GLOBAL CASH ACCESS, INC., a Delaware corporation located at 7250 S. Tenaya Way, Suite 100, Las Vegas, Nevada 89113 (the "**Borrower**"), the other Grantors identified herein and BANK OF AMERICA, N.A., as Collateral Agent for the Secured Parties.

Reference is made to that certain Security Agreement dated as of December 19, 2014 (as amended, restated, amended and restated, supplemented or otherwise modified from time to time, the "**Security Agreement**"), among the Borrower, the other Grantors identified therein and who from time to time become a party thereto and the Collateral Agent. The Secured Parties' agreements in respect of extensions of credit to the Borrower are set forth in the Credit Agreement dated as of December 19, 2014 (as amended, restated, amended and restated, supplemented or otherwise modified from time to time, the "**Credit Agreement**"), among the Borrower, Global Cash Access Holdings, Inc., Bank of America, N.A., as Administrative Agent, Collateral Agent, Swing Line Lender, and L/C Issuer, and each lender from time to time party thereto (collectively, the "**Lenders**" and individually, a "**Lender**"). The Guarantors are affiliates of the Borrower, will derive substantial benefits from the extension of credit to the Borrower pursuant to the Credit Agreement and the performance of obligations by the Hedge Banks and the Cash Management Banks under any Secured Hedge Agreements and Secured Cash Management Agreement, as applicable, and the undersigned Grantor are willing to execute and deliver this Agreement in order to induce the Lenders to extend such credit and the Hedge Banks and the Cash Management Banks to enter in to such Secured Hedge Agreements and Secured Cash Management Agreements, as applicable. Accordingly, the parties hereto agree as follows:

Section 1. Terms. Capitalized terms used in this Agreement and not otherwise defined herein have the meanings specified in the Security Agreement. The rules of construction specified in Article I of the Credit Agreement also apply to this Agreement.

Section 2. Grant of Security Interest. As security for the payment or performance, as the case may be, in full of the Obligations, including the Guarantees, each Grantor, pursuant to and in accordance with the Security Agreement, did and hereby does pledge to the Collateral Agent for the benefit of the Secured Parties, and did and hereby does grant to the Collateral Agent, its successors and assigns, for the benefit of the Secured Parties, a security interest in, all right, title and interest in or to any and all of the following assets and properties now owned or at any time hereafter acquired by such Grantor or in which such Grantor now has or at any time in the future may acquire any right, title or interest (collectively, the "**Patent Collateral**"):

All patents of the United States, all registrations and recordings thereof, and all applications for patents of the United States, and all reissues, re-examinations, continuations, divisions, continuations-in-part, renewals or extensions thereof, owned by the Grantors including those listed on Schedule I hereto, and the inventions or improvements disclosed or claimed therein.

Section 3. Termination. This Patent Security Agreement and the security interest granted hereby shall automatically terminate with respect to all of a Grantor's Obligations and any Lien arising therefrom shall be automatically released upon termination of the Security Agreement or release of such Grantor's obligations thereunder. The Collateral Agent shall, in connection with any termination or release herein or under the Security Agreement, execute and deliver, at the sole expense of the Grantors, to any Grantor as such Grantor may request, an instrument in writing releasing the security interest in the Patent Collateral acquired under this Agreement. Additionally, upon such satisfactory performance or payment, the Collateral Agent shall reasonably cooperate, at the sole expense of the Grantors, with any efforts made by a Grantor to make of record or otherwise confirm such satisfaction including, but not limited to, the release and/or termination of this Agreement and any security interest in, to or under the Patent Collateral.

Section 4. Supplement to the Security Agreement. The security interests granted to the Collateral Agent herein are granted in furtherance, and not in limitation of, the security interests granted to the Collateral Agent pursuant to the Security Agreement. Each Grantor hereby acknowledges and affirms that the rights and remedies of the Collateral Agent with respect to the Patent Collateral are more fully set forth in the Security Agreement, the terms and provisions of which are hereby incorporated herein by reference as if fully set forth herein. In the event of any conflict between the terms of this Agreement and the Security Agreement, the terms of the Security Agreement shall govern.

Section 5. Governing Law. The terms of Section 11.14 of the Credit Agreement with respect to governing law are incorporated herein by reference, *mutatis mutandis*, and the parties hereto agree to such terms.

Section 6. Intercreditor Agreement Governs. Notwithstanding anything herein to the contrary, (i) the liens and security interests granted to the Collateral Agent pursuant to this Agreement are expressly subject to the Intercreditor Agreement, if then in effect, and (ii) the exercise of any right or remedy by the Collateral Agent hereunder is subject to the limitations and provisions of the Intercreditor Agreement, if then in effect. In the event of any conflict between the terms of the Intercreditor Agreement, if then in effect, and the terms of this Agreement, the terms of the Intercreditor Agreement, if then in effect, shall govern.

[Signatures on following page]

IN WITNESS WHEREOF, the parties hereto have duly executed this Agreement as of the day and year first above written.
