CONFIRMATORY ASSIGNMENT OF PATENTS

WHEREAS FEATHERLITE INDUSTRIES LIMITED (the "Assignor") owns certain inventions and related patents and patent applications;

AND WHEREAS the Assignor, LITE LADDER CORP. ("Lite") and FEATHERLITE HOLDINGS LIMITED are parties to an asset purchase agreement dated as of November 5, 2014 (the "Asset Purchase Agreement"), pursuant to which the Assignor agreed to sell, effective as of the Closing (as defined in the Asset Purchase Agreement), all of its right, title, benefit, ownership, possession, use and interest in and to its inventions and related patents and patent applications to Lite;

AND WHEREAS Lite and LOUISVILLE LADDER CORP. (the "Assignee"), are parties to an Assignment Agreement made on November 28, 2014, pursuant to which Lite assigned, transferred and conveyed all of its right, title, and interest in and to the Asset Purchase Agreement to the Assignee prior to Closing;

AND WHEREAS the Assignee is desirous of confirming that it has acquired the whole right, title, and interest in and to such inventions and related patents and patent applications;

NOW THEREFORE in consideration of the covenants and agreements contained in the Asset Purchase Agreement and herein and such other good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged by the parties hereto, the Assignor confirms that it has assigned, transferred and conveyed, and, to the extent that it has not assigned, transferred and conveyed, hereby assigns, transfers, and conveys to the Assignee, its successors and assigns, the whole right, title, and interest worldwide in and to the inventions (the "Inventions") and patents and patent applications (collectively, the "Patents") listed in Schedule A hereto, including, without limiting the generality of the foregoing, any and all:

- (a) rights relating thereto that may arise at law, including rights of action resulting from prior infringement or other unauthorized use thereof;
- (b) applications corresponding thereto, whether in the form of improvements, divisions, continuations, continuations-in-part, re-examinations, re-issues and extensions thereof;
- (c) Letters Patent and like industrial property registrations (the "Registrations") that may issue, be granted or result from the Patents and the corresponding applications for the Inventions; and
- (d) rights of priority resulting from the filing of the Patents, the corresponding applications and any previously filed applications in respect of the Inventions under international conventions, treaties or otherwise,

the same to be held and enjoyed as fully and exclusively as the same would have been held and enjoyed by the Assignor had the aforementioned assignment, transfer and conveyance not been made.

The Assignor, on behalf of itself and its assigns, heirs or other legal representatives, does hereby covenant and agree to do all such lawful acts and things, and to execute and deliver

DOCS 13970927

without further consideration such further lawful assignments, instruments, assurances, applications and other documents, as may reasonably be required by the Assignee, or by its successors, assigns, nominees or other legal representatives, to obtain the Letters Patent and Registrations and vest or secure the same in the Assignee, and in the Assignee's successors, assigns, nominees or other legal representatives.

The Assignor does hereby authorize any official whose duty it is to grant patents or industrial property registrations, to grant the Letters Patent and Registrations to the Assignee, and to the Assignee's successors, assigns, nominees or other legal representatives.

The Assignor, on behalf of itself and its assigns, heirs or other legal representatives, does hereby authorize the Assignee, its successors, assigns, nominees or other legal representatives to amend the present confirmatory assignment to insert or correct any identifying information of the Patents as may be needed to record same.

This Assignment may be executed in as many counterparts as may be necessary, each of which so executed shall be deemed to be an original and each signed copy sent by facsimile or other means of electronic transmission producing a printed copy shall be deemed to be an original, and such counterparts together shall constitute one and the same document and notwithstanding the date of execution shall be deemed to be effective as of the date set forth above.

IN WITNESS WHEREOF, an authorized representative of the Assignor has executed this Confirmatory Assignment this 1st day of December, 2014.
