ASSIGNMENT OF PATENT

The undersigned, Multimodal Technologies, LLC, has agreed and hereby agrees to assign to MModal IP LLC ("the Company"), a Delaware limited liability company, having its principal place of business in Franklin, Tennessee, in exchange for good and valuable consideration and in furtherance of its obligations to the Company and its subsidiaries and affiliates, and does hereby assign and transfer to the Company, its successors and assigns, the entire right, title and interest, including the right of priority, in, to and under Letters Patent of the United States entitled:

Content-Based Audio Playback Emphasis

Patent No: 8,768,706

Issue Date: July 1, 2014

and the invention(s) and improvement(s) set forth therein, and any and all continuations, continuations-in-part (C-I-P's), divisionals, and renewals of and substitutes for said Letters Patent, and any and all Letters Patent of the United States and of countries foreign thereto which may be granted thereon or therefor; and any reissues, or reexaminations, or extensions of said Letters Patent.

The undersigned hereby covenants that it has full right to convey the entire interest herein assigned, and that it has not executed and will not execute any agreement in conflict herewith, and it further covenants and agrees that it will, each time a request is made, and without undue delay, execute and deliver all such papers as may be necessary or desirable to perfect the title to any rights assigned herein to the Company, its successors, assigns, nominees or legal representatives, and it agrees to communicate to the Company, or to its nominee, all known facts respecting any rights assigned herein, to testify in any legal proceedings, to sign all lawful papers, to execute all disclaimers and divisionals, continuations, CIPs, reissue and foreign applications, to make all rightful oaths and declarations, and generally to do everything possible to aid the Company, its successors, assigns, nominees and legal representatives to obtain and enforce, for its or their own benefit, proper patent protection for any rights assigned herein in any and all countries, provided the expenses which may be incurred by it in lending such cooperation and assistance are paid by the Company; and

The undersigned hereby authorizes and requests the Commissioner of Patents and Trademarks of the United States and any official of any country of countries foreign to the United States whose duty it is to issue patents on applications as aforesaid, to issue to the Company, as assignee of the entire right, title and interest, any and all Letters Patent for said invention(s) or improvement(s), including any and all Letters Patent of the United States which may be issued and granted on or as a result of the applications aforesaid, in accordance with the terms of this assignment.

IN WITNESS WHEREOF, Multimodal Technologies, LLC, hereunto sets its hand and seal by its duly authorized officer:
