**COMBINATION OF DECLARATION FOR UTILITY OR DESIGN PATENT  
APPLICATION AND INVENTION/PATENT APPLICATION ASSIGNMENT  
FROM INVENTOR(S) TO COMPANY**

WHEREAS WE, Pierre-Emmanuel CAVAREC, Eric LAGARDE and Serge NEUMAN, being joint inventors of certain improvements in:

**METHOD FOR CONTROLLING AN ELASTIC EXTENSIBLE SCREEN HAVING A  
VARIABLE DEGREE OF OPENING AND SUITABLE CONTROL DEVICE**

which was filed as an application for a United States Letters Patent based upon PCT/EP2013/063781 on July 1, 2013 and designates the United States and;

WHEREAS WE, as joint inventors of this application hereby declare that we have made or were authorized to make the above referenced application and that we believe that we are the original joint inventors of a claimed invention in this application and we hereby acknowledge that any willful false statement made in this declaration is punishable under 18 U.S.C. 1001 by fine or imprisonment of not more than five (5) years, or both.

AND WHEREAS, SOMFY SAS, an organization existing under the laws of France and having an address of 50, avenue du Nouveau Monde, Cluses France F-74300, hereinafter referred to as assignee, is desirous of acquiring the entire right, title and interest in and to said invention, together with the patent rights and rights of protection to the same throughout the world, including any patent rights which may result from the application for United States Letters Patent based upon PCT/EP2013/063781 (U.S. Serial No. ~~14/411952~~) which designates the United States and preparatory to obtaining Letters Patent of the United States therefor and in and to any and all divisions, reissues, continuations and extensions thereof and in and to any Letters Patent that may be granted thereon; said invention, application and Letters Patent to be held and enjoyed by the said assignee for its own use and behoof and for the use and behoof of its successors and assigns, to the full end of the term from which said Letters Patent or other rights of protection may be granted, as fully and as entirely as the same would have been held and enjoyed by us had this assignment and sale not been made.

NOW, THEREFORE, for good and valuable consideration, the receipt for and sufficiency of which is hereby acknowledged, We do hereby sell, assign, transfer and set over unto said assignee, its legal representatives, successors, and assigns, the entire right, title and interest in and to said invention as set forth in the above-mentioned application, including any formal applications therefore, continuations, continuations-in-part, divisions, reissues, re-examinations or extensions thereof, and in and to any and all patents of the United States and foreign countries that may be issued for said invention;

01502418.DOC

UPON SAID CONSIDERATIONS, We hereby agree with the said assignee that We will not execute any writing or do any act whatsoever conflicting with these presents, and that We will, at any time upon request, without further or additional consideration but at the expense of said assignee, execute such additional assignments and other writings and do such additional acts as said assignee may deem necessary or desirable to perfect the assignee's enjoyment of this grant, and render all necessary assistance in making application for and obtaining original, divisional, continuations, continuations-in-part, reexamined, reissued, or extended Letters Patent of the United States or of any and all foreign countries on said invention, and in enforcing any rights or choses in action accruing as a result of such applications or patents, by giving testimony in any proceedings or transactions involving such applications or patents, and by executing preliminary statements and other affidavits, it being understood that the foregoing covenant and agreement shall bind, and inure to the benefit of the assigns and legal representatives of assignor and assignee;

AND We request the Commissioner of Patents and Trademarks to issue any Letters Patent of the United States that may be issued for said invention to said assignee, its legal representatives, successors or assigns, as the sole owner of the entire right, title and interest in and to said patent and the invention covered thereby.
