PATENT ASSIGNMENT

WHEREAS, Dresser, Inc. (hereinafter, "Assignor"), a corporation, having its principal office and place of business at 3814 Jarret Way, Austin, Texas 78728 is the owner of right in the U.S. Design Patent Application filed March 15, 2013, and assigned U.S. Application No. 29/449,973; and

WHEREAS, Dresser Wayne AB. (hereinafter, "Assignee"), a corporation, having its principal office and place of business at Hanogatan, Malmo, Sweden 10 211 24, desires to acquire the entire right, title, and interest in and to said invention, patent and patent application;

NOW THEREFORE, effective immediately by this document, and for good and valuable consideration, including provision of know-how, the receipt and sufficiency of which are hereby acknowledged, Assignor does hereby sell, assign and transfer to Assignee, and its successors and assigns, the entire right, title, and interest, in the United States and all foreign countries, in said patents and patent applications and to the inventions disclosed therein, and all continuations, divisions, reissues, and substitutes thereof, rights of priority under the International Convention for the Protection of Industrial Property, the Inter-American Convention Relating to Patents, Designs and Industrial Models, and any other international agreements to which the United States adheres, and in and to all income, royalties, damages, claims, and payments hereafter due or payable with respect thereto, and in and to all causes of action (either in law or in equity) and the right to sue, counterclaim, and recover for present, and future infringement of the rights assigned to Assignee hereunder.

Assignor hereby agrees to execute any papers and to perform such other proper acts as Assignee or its successors or assigns may deem reasonably necessary to secure to Assignee or to its successors or assigns, the rights hereby transferred.

Assignor covenants and agrees that it has the full right to convey the entire interest herein assigned, and that it has not executed, and will not execute any agreement in conflict herewith.

Assignor covenants and agrees to seek Assignee's express written consent prior to practicing a method or selling a device covered by said applications.

WHEREFORE, Assignor and Assignee have caused this Patent Assignment to be duly executed below, on the date indicated, by their respective duly authorized officers.
