ASSIGNMENT

For value received, we, Kyle Golden, a citizen of the US, resident of the US; Anubhav Ranjan, a citizen of the US, resident of the US; and Wataru Sugiyama, a citizen of Japan, resident of Japan, hereby sell, assign and transfer to Lennox Industries Inc., a corporation of Delaware, having an office at 2140 Lake Park Boulevard, Richardson, Texas 75080, U.S.A., and its successors, assigns and legal representatives, the entire right, title and interest, in and to certain inventions related to "A WALL MOUNTABLE THERMOSTAT" described in an application for Letters Patent of the United States, executed by us of even date herewith, and all the rights and privileges in said application and under any and all Letters Patent that maybe granted in the United States for said inventions; and we also concurrently hereby sell, assign and transfer to Lennox Industries Inc. the entire right, title and interest in and to said inventions for all countries foreign to the United States, including all rights of priority arising from the application aforesaid, and all the rights and privileges under any and all forms of protection, including Letters Patent, that may be granted in said countries foreign to the United States for said inventions.

We authorize Lennox Industries Inc. to make application for such protection in its own name and maintain such protection in any and all foreign countries to the United States, and to invoke and claim for any application for patent or other form of protection for said inventions, without further authorization from us, any and all benefits, including the right of priority provided by any and all treaties, conventions or agreements.

We hereby consent that a copy of this assignment shall be deemed a full legal and formal equivalent of any document which may be required in any country in proof of the right of Lennox Industries Inc. to apply for patent or other form of protection for said inventions and to claim the aforesaid benefit of the right of priority.

We request that any and all patents for said inventions by issued to Lennox Industries Inc., in the United States and in all countries foreign to the United States, or to such nominees as Lennox Industries Inc. may designate.

We agree that, when requested, I shall, without charge to Lennox Industries Inc., but at its expense, sign all papers, and do all acts which may be necessary, desirable or convenient in connection with said applications, patents, or other forms of protection.
