CONFIRMATORY ASSIGNMENT

For good and valuable consideration, receipt of which is hereby acknowledged, and for purposes of confirming in recordable form an earlier assignment on September 4, 2013, Accurate Tool, Inc. ("Assignor"), of 104 West Lantrip Street Kilgore, Texas 75662, hereby:

Sells, assigns, and transfers to Sentry Equipment Corp. ("Assignee"), a Wisconsin corporation having its principal office at 966 Blue Ribbon Circle North, Oconomowoc, WI 53066, the entire right, title and interest in and to the following patents:

Patent No. 8,359,937, titled "Assembly for Insertion of an Object into a Pipeline; and

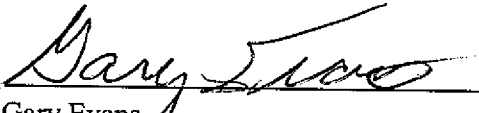

Patent No. 6,357,470, titled "Vessel and Pipeline Insertion Tool";

the inventions disclosed therein, any and all United States and foreign patent patents and patent applications in any way based on the disclosures of such patents, and any and all rights of action for infringement thereof, regardless of when such infringement occurred; and

Agrees, as requested by Assignee, its successors, assigns or representatives, without expense to the undersigned: to execute any documents helpful or necessary to record or enforce Assignee's rights in connection therewith; to communicate with Assignee, its successors, assigns and legal representatives as reasonably needed; and to carry out the intent of this Assignment by doing everything possible which Assignee, its successors, assigns or legal representatives may reasonably consider desirable to aid in securing and maintaining proper patent protection for such inventions.

Executed for effect on September 4, 2013.
