Sale and Purchase

2. Upon and subject to the terms and conditions of this Agreement, the Seller sells and transfers the Patent Rights to the Purchaser and the Purchaser purchases and accepts the transfer of the Patent Rights from the Seller
3. To the extent possible under applicable law, the Patent Rights are sold and transferred to the Purchaser with all rights relating thereto, including without limitation, all accessory rights ("*afhankelijke rechten*") and all ancillary rights ("*nevenrechten*"), provided that the transfer of the right to (a) maintain the validity of the Patent Rights where applicable and (b) take legal action against any infringement of the Patent Rights, whether it occurred or started prior to or subsequent to the date of this Agreement, is subject to the registration of the declaration of transfer, as set forth in Annex C (the "Declaration of Transfer").
