ASSIGNMENT

Serial No. 61/931,826

Serial No. 14/606,503

This Assignment, made this 26TH day of JANUARY, 2015, by:

Mark D. Shaw

Matt Clancy

and

Laurence Bierce

(hereinafter referred to collectively as the Assignor), who has invented certain new and useful improvements in an invention entitled:

METHOD OF LINING AN OIL WELL PIPE IN SITU

as set forth in a pending application for Letters Patent of the United States filed January 27, 2014, and assigned Serial Number 61/931,826 from the United States Patent and Trademark Office; and

as will be set forth in an application for Letters Patent of the United States currently being prepared (such application having subsequently been filed on 01/27/2015 and received the Serial Number 14/606,503 from the United States Patent and Trademark Office).

Whereas,

ULTRATECH INTERNATIONAL, INC.

(hereafter referred to as Assignee), a corporation formed under the laws of the State of Florida, with principal place of business at 11542 Davis Creek Court, Jacksonville, FL 32256, is desirous of acquiring the entire right, title and interest in and to said inventions and said applications for Letters Patent of the United States, and in and to any Letters Patent or Patents, United States or foreign, to be obtained therefore and thereon;

Now, therefore, in consideration of ten dollars (\$10.00) and other good and sufficient considerations, the receipt of which is hereby acknowledged, the said Assignor has sold, assigned, transferred and set over, and by these presents does sell, assign, transfer and set over, unto the Assignee, its successors, legal representatives and assigns, the entire right, title and interest in and to the above mentioned inventions, applications for Letters Patent, and any and all Letters Patent or Patents in the United States of America and all foreign countries which may be granted therefore and thereon, and in and to any and all divisions, continuations, and continuations-in-part of said applications, or reissues or extensions of said Letters Patent or Patents, and all rights under the International Convention for the Protection of Industrial Property, the same to be held and enjoyed by the said Assignee, for its own use and behoof and the use and behoof of its successors, legal representatives and assigns, to the full end of the term or terms for which Letters Patent or Patents may be granted, as fully and entirely as the same would have been held and enjoyed by the Assignor, had this sale and assignment not been made.

PATENT

REEL: 034821 FRAME: 0928

And for the same consideration, the said Assignor hereby covenants and agrees to and with the said Assignee, its successors, legal representatives and assigns, that, at the time of execution and delivery of these presents, the said Assignor is the owner of the entire right, title and interest in and to the said inventions and the applications for Letters Patent above mentioned, and that the same are unencumbered and that the said Assignor has good and full right and lawful authority to sell and convey the same in the manner herein set forth.

And for the same consideration, the said Assignor hereby covenants and agrees to and with the said Assignee, its successors, legal representatives and assigns, that the said Assignor will, whenever counsel of the said Assignee, or the counsel of its successors, legal representatives and assigns, shall advise that any proceeding in connection with said inventions, or said applications for Letters Patent, or any proceeding in connection with Letters Patent for said inventions in any country, including interference proceedings, is lawful and desirable, or that any division, continuation or continuation-in-part of any application for Letters Patent, or any reissue or extension of any Letters Patent, to be obtained thereon, is lawful and desirable, sign all papers and documents, take all lawful oaths, and do all acts necessary or required to be done for the procurement, maintenance, enforcement and defense of Letters Patent for said invention, without charge to the said Assignee.

And the said Assignor hereby requests the Commissioner of Patents to issue said Letters Patent of the United States to the said Assignee as the assignee of said inventions and the Letters Patent to be issued thereon for the sole use and behoof of the said Assignee, its successors, legal representatives and assigns.

And the said Assignor hereby requests and authorizes Attorney Thomas C. Saitta to enter the filing date and serial number for the patent application which is filed regarding said invention, once received from the United States Patent and Trademark Office, in the space provided therefore above to properly designate the application to which this Assignment relates.
