ASSIGNMENT

Application Number: (14572141)
Filing Date: 16 December 2014
Inventors: Jeremy Blair Morris, Michael Dale Evenson
Assignee: REGEN ENTERPRISES, LLC, an Idaho limited liability company having a principal place of business at 6700 N. Linder Rd., Suite 156-290, Meridian, ID 83646.

Whereas, We, the above-identified Inventors, have invented certain new and useful improvements in: METHODS AND APPARATUS FOR RECYCLING DEPLOYED SHEET MATERIAL (hereinafter referred to as the "Invention") for which we have made application for Letters Patent in the United States of America;

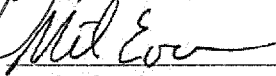

And, whereas we desire to assign a one-hundred percent (100%) undivided interest in said Invention, said applications disclosing the Invention and any Letters Patent which may be granted therefore to the above-identified Assignee, and whereas said Assignee is desirous of acquiring the entire right, title and interest in the same;

Now, this indenture witnesseth, that for good and valuable consideration, the receipt whereof is hereby acknowledged;

We hereby assign, sell and transfer a one-hundred percent (100%) undivided interest in said invention, said applications, including any application(s) this application claims priority from (including provisional application numbers 61/916,785 (filed on 16 December 2013) and 61/916,934 (filed on 17 December 2013), non-provisionals, divisions, continuations, and continuations-in-part thereof, and in and to any and all Letters Patent of the United States, and countries foreign thereto, which may be granted for said Invention, and in and to any and all priority rights, Convention rights, and other benefits accruing or to accrue to us with respect to the filing of applications for patents or securing of patents in the United States and countries foreign thereto, unto said Assignee; We hereby authorize and request the Director of the United States Patent and Trademark Office (USPTO) to issue said United States Letters Patent to said Assignee, as assignee of the whole right, title and interest thereto; We further agree to execute all necessary and lawful future documents, including assignments in favor of Assignee, or its designees as Assignee or its Assignees may from time-to-time present to us in order to perfect title in said Invention, modifications, and improvements in said Invention, applications and Letters Patent of the United States and countries foreign thereto; We further agree to sign and properly execute such necessary and lawful papers for application for foreign patents, for filing divisions, continuations and continuations-in-part of said application for patent, and/or, for obtaining any reissue or reissues of any Letters Patent which may be granted for our aforesaid Invention, as the Assignee thereof shall hereafter require and prepare at its own expense; and we hereby authorize and request that one of the patent attorneys of USPTO Customer Number 79606, when recording this assignment with the USPTO for the above application for Letters Patent in the United States of America, to insert into the parentheses above the application number of said application when known.

Jeremy Blair Morris Executed this 16th day of December 2014.

Michael Dale Evenson Executed this 16th day of December 2014.
