ASSIGNMENT

For good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, Cenzip Inc., a Delaware Corporation, having a place of business at 655 Campbell Technology Parkway, Suite #100, Campbell, CA 95008, (hereinafter "Assignor") hereby assigns to Trustwave Holdings, Inc., a Delaware Limited Liability Company, having a place of business at 70 West Madison Street, Suite 1050, Chicago, Illinois, 60602, (hereinafter "Assignee"), its successors and assigns, the entire right, title and interest in the assets identified in the attached Schedule A. For avoidance of doubt, this assignment conveys all invention(s) and/or improvement(s) anywhere in the world, all pending patent application(s) and/or all patent(s) and trademark(s) that issue or have issued therefrom anywhere in the world, all expired application(s) filed anywhere in the world, and all issued patent(s) and granted trademark(s) anywhere in the world including any continuances, reissues and/or extensions thereof. The conveyance is inclusive of all priority rights, all international patent applications, all patent applications filed in or to be filed in any country in the world, all patents issued or to be issued in any country in the world, and all reissue(s) and/or extension(s) thereof. This assignment includes all rights associated with said assets including, without limitation, all patent and trademark right(s) in any and all countries and all right(s) to claim priority to and/or from any application(s) or patent(s) or trademark(s) in any and all countries. No rights whatsoever are reserved to the undersigned assignor, but instead all rights are hereby transferred to the Assignee. This assignment is governed by the Law of the State of Illinois, United States of America.

The undersigned hereby authorizes and requests the Commissioner of Patents and Trademarks to issue said Letters Patent to said assignee.

WITNESS my hand this 18th day of September, 2014.

Cenzic, Inc.
