ASSIGNMENT

The undersigned, Stein Følkner
Magnus Smedsrud Bjørnstad

(hereafter designated as Assignors) having made an invention, MULTIPHASE FLOW MIXING APPARATUS AND METHOD OF MIXING., that is the subject of international patent application No. PCT/EP2013/061634 filed 6 June 2013, and subsequent patent applications claiming priority thereof, hereby assign, transfer and set over to the Norwegian company

FMC Kongsberg Subsea AS
Postboks 1012
3601 KONGSBERG
Norway

(hereafter designated as The Assignee) the entire right, title and interest in and to said invention, including the right to file applications for patents anywhere in the world and to have patents which may issue therefrom made out in the name of the Assignee.

The undersigned authorize the Assignee to execute on their behalf any papers necessary in connection with the filing and prosecution of the applications, including continuation, divisional, and reissue applications, and with the obtaining or grant of valid patents, including patents of addition, confirmation, registration and importation, to the Assignee, but also agree to execute and deliver any such papers at any time upon the request and at the expense of the Assignee, and to make all rightful oaths and do all lawful acts requisite for procuring said patents, and authorize and request issuance of the patents to the Assignee, and covenant that they have full right to convey the entire interest herein assigned and have not executed and will not execute any agreement in conflict herewith.

The undersigned agree that with respect to the authorization and agreements referred to above, any reference to The Assignee also comprises any successor, assignee or other legal representative of the Assignee.

The undersigned accept all the above obligations independently of any counter-claim against the Assignee.
