ASSIGNMENT

WHEREAS, I, Pascale Fouillot ("Assignor") of Gennevilliers Cedex, France have invented, certain new and useful improvements for a *Method for Transmission of Messages Having Different Priority Levels Between Transmitter-Receiver Nodes of an Ad Hoc Network* for which I have executed an application for Letters Patent in the United States identifying me as the sole inventor thereof said application being identified as U.S. Non-Provisional Patent App No. 14/584,651, filed December 29, 2014, claiming priority to French App No. 1303122, filed December 31, 2013; Thompson Coburn LLP, Docket 51585-139453; and

WHEREAS, THALES ("Assignee"), a corporation of France, having its principal office and place of business at 45 rue de Villiers, Neuilly Sur Seine, France 92200, is desirous of acquiring Assignor's entire right, title and interest in and to said invention and improvements as disclosed in said application, in and to said application, and in and to the patent to be obtained thereon.

NOW THEREFORE, in consideration of the sum of One Dollar (\$1.00) to me in hand paid, and other good and valuable consideration, the receipt and adequacy of all of which are hereby acknowledged, I, Pascale Fouillot have sold, assigned and transferred and do hereby sell, assign and transfer unto said Assignee, its successors or assigns, my entire right, title and interest in and to said invention and improvements as the same are disclosed in said application which was executed by me concurrently herewith preparatory to filing for Letters Patent, in and to said application, and in and to any and all Letters Patent and applications filed therefor, including provisionals, non-provisionals, divisionals, continuations, reissues, reexaminations and extensions to be

obtained therefor in the United States and all foreign countries, including all priority rights and all rights to claim priority; and I further agree to cooperate with the assignee hereunder in the obtaining and sustaining of any and all such Letters Patent as the assignee may desire to apply for, but at the expense of said assignee.

The Commissioner of Patents or other proper official is hereby authorized and requested to issue said Letters Patent, in part, to THALES in accordance with this Assignment.

The undersigned hereby authorize and request the attorneys of record in said application(s) to insert in this Assignment the serial number, filing date, and date of execution of said application(s).

For said considerations, the undersigned hereby agree, upon the request and at the expense of said Assignee, to execute any provisional, non-provisional, divisional, continuation, continuation-in-part or substitute application for said invention or improvements, and any oath or affidavit relating thereto, and any application for the reissue or extension of any Letters Patent that may be granted upon said application(s), and, in the event of any application or Letters Patent assigned herein becoming involved in any derivation proceeding, interference, or third party challenge, to cooperate to the best of the ability of the undersigned in the matters of preparing and executing any petition, affidavit, or other document relating thereto and giving and producing evidence in support thereof. The undersigned agree to perform, upon request, any affirmative acts to obtain said Letters Patent of the United States or foreign country and vest in said Assignee all rights therein, whereby said Letters Patent will be held and enjoyed by said Assignee, to the full end of the term for which said Letters

Patent may be granted as fully and entirely as the same would have been held and enjoyed by the undersigned if this assignment had not been made.

And for said consideration, the undersigned hereby assign to said Assignee the entire right, title and interest in said invention or improvements for all foreign countries, including all priority rights, and agree to execute, at the request of said Assignee, all documents in connection with any application for foreign Letters Patent therefor.

Pascale Fouillot
