Inventor	Inventor's City of Residence
Joseph Jeremiah Cox	Portland, OR, US
Isaiah Watas Cox	London, GB

In consideration of the sum of one dollar (\$1.00) and other good and valuable consideration paid to each of the above-identified and undersigned inventors, the receipt and sufficiency of which are hereby acknowledged, each undersigned inventor agrees to assign, and hereby does assign, transfer and set over to

BOREALIS TECHNICAL LIMITED, Gibraltar Company Number 57844, a corporation organized and existing under the laws of Gibraltar, having offices at P.O. Box 575, Suite 2F/2, Eurolife Building, 1 Corral Road, Gibraltar and at 23545 NW Skyline Blvd, North Plains, Oregon 97133

(hereinafter designated as the Assignee) and Assignee's heirs, successors, assigns and legal representatives, the entire right, title and interest for the United States of America as defined in 35 U.S.C. §100 and for all other countries in the invention, and in all applications for patent or similar rights on the invention, including any and all provisional, non-provisional, divisional, continuation, international, confirmation, substitute and reissue application(s), including any application(s) filed in any country based thereon, and including the right to file foreign applications under the provisions of any treaty or convention; and in all grants, such as Letters Patent, certificates, utility models, confirmations, extensions, reissues and reexamination certificates that may be granted in the United States and in all other countries on the invention, known as

Title of Invention	Patent or Application No.	Filing Date	Docket #
AIRCRAFT PASSENGER BOARDING SYSTEM	61/935,828	4 Feb 2014	12255.PR.V

1) Each undersigned inventor agrees to execute all papers necessary in connection with any application and/or grant for the invention and also to execute separate assignments in connection with such applications and grants as the Assignee may deem necessary.

2) Each undersigned inventor agrees to execute all papers necessary in connection with any interference or post-grant proceeding which may be declared concerning any application or grant for the invention and to cooperate with the Assignee in every way possible in obtaining evidence and going forward with such interference or post-grant proceeding.

3) Each undersigned inventor agrees to execute all papers and documents and perform any act which may be necessary in connection with claims or provisions of the International Convention for Protection of Industrial Property or similar agreements.

4) Each undersigned inventor agrees to perform all affirmative acts which may be necessary to obtain, maintain or confirm a grant to the Assignee in the United States and any other country in which the Assignee may file an application for patent or other grant.

5) Each undersigned inventor authorizes and requests the Commissioner of the U.S. Patent and Trademark Office and other issuing authorities to issue any and all patents or other grants resulting from said application(s) to the said Assignee, as Assignee of the entire interest, and covenants that s/he has full right to convey the entire interest herein assigned, and that s/he has not executed, and will not execute, any agreement(s) in conflict herewith, and agrees that this assignment is binding on Assignor and Assignor's heirs, successors, assigns and legal representatives.

6) Each undersigned inventor hereby grants to Assignee and its designated representatives the power to insert on this assignment any further identification that may be necessary or desirable in order to comply with the rules of any issuing authority, including the United States Patent and Trademark Office, for recordation of this document
