**SUPPLEMENTAL GRANT OF SECURITY INTEREST  
IN PATENTS, TRADEMARKS AND COPYRIGHTS**

THIS SUPPLEMENTAL GRANT OF SECURITY INTEREST IN PATENTS, TRADEMARKS AND COPYRIGHTS (as the same may be amended, restated, supplemented or otherwise modified from time to time, the "Supplemental Grant") is made effective as of February 3, 2015 by and from Barnett Outdoors, LLC (the "Pledgor") to and in favor of PNC Bank, National Association, for itself and as Administrative Agent for the Secured Parties (in such capacity, the "Agent").

This Supplemental Grant has been granted in conjunction with the security interest granted under the Patent, Trademark and Copyright Security Agreement, dated October 11, 2013, by and among the Pledgor, the other pledgors party thereto and the Agent (as the same may be amended, restated, supplemented or otherwise modified from time to time, the "IP Security Agreement"). The rights and remedies of the Agent with respect to the security interest granted herein are without prejudice to and are in addition to those set forth in the IP Security Agreement, all terms and provisions of which are incorporated herein by reference. In the event that any provisions of this Supplemental Grant are deemed to conflict with the IP Security Agreement, the provisions of the IP Security Agreement shall govern.

NOW, THEREFORE, in consideration of the mutual covenants and agreements set forth herein and for other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, it is hereby agreed that:

1) Definitions; Incorporation by Reference. All capitalized terms not defined herein shall have the respective meaning given to them in the IP Security Agreement. The rights and remedies of the Agent with respect to the security interest granted herein are without prejudice to and are in addition to those set forth in the IP Security Agreement, all terms and provisions of which are incorporated herein by reference. In the event that any provisions of this Supplemental Grant are deemed to conflict with the IP Security Agreement, the provisions of the IP Security Agreement shall govern.

2) The Security Interest. To secure the full payment and performance of all Secured Obligations, and as a supplemental to the IP Security Agreement, each Pledgor hereby grants, and conveys a security interest to Agent for the benefit of the Secured Parties in the entire right, title and interest of such Pledgor in and to all of its Patents, Trademarks and Copyrights, including those identified on Schedule A attached hereto.

3) Counterparts. This Supplemental Grant may be executed in any number of counterparts and by different parties in separate counterparts, each of which when so executed shall be deemed to be an original and all of which taken together shall constitute one and the same agreement. Signature pages may be detached from multiple separate counterparts and attached to a single counterpart.

4) Governing Law. This Supplemental Grant and the rights and obligations of the parties hereto shall be governed by, and construed and interpreted in accordance with, the law of the State of New York.

\* \* \* \* \*

IN WITNESS WHEREOF, the Pledgor has executed this Supplemental Grant effective as of the date first written above.
