ASSIGNMENT

WHEREAS, WE, William T. Oltman, a citizen of the United States and having an address at 3351 Nottingham Dr. NE, Grand Rapids, MI 49546 and Stefaan Van Den Broecke, a citizen of Belgium and having an address at 1619 Grove Street, Kalamazoo, MI 49006, have invented certain inventions and improvements disclosed in an application for Letters Patent entitled "PEN," filed in the United States Patent and Trademark Office on February 9, 2015 and assigned U.S. Application No. 29/517,088 and

WHEREAS, **Sanford, LP**, a limited partnership of the State of Illinois having a principal place of business at 3500 Lacey Road, 10th Floor, Downers Grove, IL 60515 (hereinafter "Assignee"), is desirous of acquiring an interest in the same.

NOW, THEREFORE, for good and valuable consideration, the receipt and sufficiency of which WE hereby acknowledge, WE, William T. Oltman and Stefaan Van Den Broecke, by these presents do sell, assign, and transfer to Assignee, the full, exclusive, and entire right, title, and interest in and to said application, in and to any divisions, continuations, reexaminations, and reissues thereof, and in and to all inventions and improvements disclosed and described in said application, preparatory to obtaining Letters Patent of the United States therefor; and WE hereby request the Director of the U.S. Patent and Trademark Office to issue any and all Letters Patent of the United States resulting from said application, or from a division, continuation, reexamination, or reissue thereof, to Assignee, for its interest and for the sole use and benefit of Assignee and its assigns and legal representatives;

For the same consideration, WE, by these presents, do sell, assign, and transfer to Assignee the full, exclusive, and entire right, title, and interest in and to any U.S. nonprovisional or foreign application or applications corresponding to said application, in whole or in part, and to any Letters Patent and similar protective rights granted on said U.S. nonprovisional or foreign applications, and in and to the right to claim any applicable priority rights arising from or

required for said U.S. nonprovisional or foreign applications under the terms of any applicable conventions, treaties, statutes, or regulations; said U.S. nonprovisional or foreign applications to be filed and issued in the name of Assignee or its designee insofar as permitted by applicable law;

AND, for the same consideration, WE agree to sign all lawful papers, execute all division, continuing, reexamination, reissue, and other applications, make all assignments and rightful oaths, and generally do everything possible to aid Assignee, its successors, assigns, and nominees to obtain and enforce proper protection for all said inventions and improvements in all countries throughout the world.

WE hereby authorize Assignee to insert in the blanks above the filing date and application number of said application when known.
