ASSIGNMENT

WHEREAS, we, Daniel Elmont Dobry, of Bend, Oregon, James Mathew Mullin, of Bend, Oregon, and Douglas Lee Millard, of Bend, Oregon, have invented a certain invention, entitled SPRAY-DRYING APPARATUS AND METHODS OF USING THE SAME, U.S. Provisional Patent Application No. 61/380,103 was filed on September 3, 2010; which application is referred to as "the patent application."

WHEREAS, Bend Research, Inc., a corporation organized under the laws of the State of Oregon, having a place of business at 64550 Research Road, Bend, OR 97701, desires to acquire an interest therein:

NOW, THEREFORE, for good and valuable consideration, the receipt of which is hereby acknowledged, we, Daniel Elmont Dobry, James Mathew Mullin, and Douglas Lee Millard hereby sell, assign and transfer to Bend Research, Inc., the full and exclusive right, title and interest in and to said invention, patent application and patent rights throughout the world, including foreign patent priority rights, the right to file and prosecute International Applications under the Patent Cooperation Treaty, and the right to file and prosecute applications under the European Patent Convention; said invention, the patent application and letters patent in this or any foreign country, and all divisions, continuations, reissues and extensions thereof, to be held and enjoyed by Bend Research, Inc., for its own use and benefit, and for its successors and assigns to the full end of the term for which letters patent may be granted the United States or any foreign country, as fully and entirely as the same would have been held by us had this assignment and sale not been made, and covenant that we have full right so to do, and agree that we will communicate to Bend Research, Inc., or its successors and assigns, any facts known to us respecting said invention, and testify in any legal proceeding, sign all lawful papers, execute all divisional, continuing and reissue applications, make all rightful oaths, and do everything possible to aid Bend Research, Inc., its successors and assigns to obtain and enforce proper patent protection for said invention in the United States or any foreign country.

We confirm that at the time the invention was made, we were under an obligation to assign the invention to Bend Research, Inc.

We hereby grant the law firm of Klarquist Sparkman, LLP, the power to insert on this Assignment any further information which may be necessary or desirable in order to comply with all applicable legal requirements, including the rules of the United States Patent and Trademark Office, for submitting and recording this document.
