Whereas, Assignee is desirous of acquiring the entire right, title and interest in the same and Assignor is desirous of selling, assigning and transferring all right, title and interest in the same.

¹ This application is entitled "Tubular Anechoic Chamber for use with a communication device."

² This application is entitled "Accessory having an anechoic chamber for isolation noise of a wind instrument."

³ Pat. No. 8,949,411 issued February 3, 2015

Now, therefore, in consideration of the sum of Ten and No/100 Dollars (\$10.00), the receipt whereof is hereby acknowledged, and other good and valuable consideration, I, the Applicant, by these presents do sell, assign and transfer unto said Assignee the full and exclusive right to the said inventions in the United States and worldwide, and the entire rights, title and interest in and to any and all Patents which may be granted therefore in the United States and worldwide. I hereby authorize and request the Director of the U.S. Patent and Trademark Office to issue said United States Patent to said Assignee, of the entire right, title, and interest in and to the same, for its sole use and behoof; and for the use and behoof of its legal representatives, to the full end of the term for which said Patent may be granted, as fully and entirely as the same would have been held by me had this Assignment and sale not been made.

Executed this 9th day of February 2015.

SCOTT A. MOSER
