WHEREAS, Endophys Holdings, LLC, a limited liability company having offices at Thanksgiving Tower, Suite 300, 1601 Elm Street, Dallas, Texas 75201 (hereinafter "ASSIGNEE") desires to own ASSIGNOR's entire right, title, and interest in and to the Applications and the Work;

NOW, THEREFORE, be it known that, for good and valuable consideration, receipt of which is hereby acknowledged, ASSIGNOR hereby sells, assigns, transfers and sets over to ASSIGNEE, its lawful successors and assigns, ASSIGNOR's entire, right, title, and interest throughout the world in and to the Applications and the Work, including all provisional applications relating thereto, and all nonprovisional applications claiming priority thereto, including all divisions, continuations, continuations-in-part, reissues, and reexaminations thereof, and all Letters Patent which may be granted thereon and all reissues and extensions thereof, and all rights of priority under International Conventions and any related Letters Patent which may hereafter be granted or filed in any country or countries foreign to the United States, and all extensions, renewals and reissues thereof. ASSIGNOR hereby authorizes and requests the Commissioner of Patents and Trademarks of the United States, and any Official of any country or countries foreign to the United States, whose duty it is to issue patents on applications as aforesaid, to issue all Letters Patent for the Applications and Work to ASSIGNEE, its successors and assigns, in accordance with the terms of this Assignment. The grant made hereby is subject to the provisions of the Option for Assignment of Rights in the Patent & Technology License Agreement executed by ASSIGNOR and ASSIGNEE having an Effective Date of February 5, 2014 (hereinafter the "Effective Date");

ASSIGNOR does hereby sell, assign, transfer, and convey to ASSIGNEE, its successors, legal representatives, and assigns all claims for damages and all remedies arising out of any violation of the rights assigned hereby that may have accrued prior to the Effective Date, or may accrue thereafter, including, but not limited to, the right to sue for, collect, and retain damages for past infringements of said Letters Patent before or after issuance;

AND, ASSIGNOR HEREBY further represents, warrants and covenants that ASSIGNOR has the full right to convey the interest assigned by this Assignment, ASSIGNOR will take all action and execute all documents necessary to perfect the interest assigned hereby, including assisting in the preparation of any other applications relating to the Applications and the Work or any improvements made thereto, and generally doing everything possible to aid the ASSIGNEE, its successors, legal representatives and assigns, to obtain and enforce proper patent protection for the Applications and Work in all countries, and ASSIGNOR has not executed and will not execute any agreement in conflict with this Assignment.
