ASSIGNMENT

For valuable consideration, the receipt, sufficiency and adequacy of which are hereby acknowledged, I, Dr. Sergey V. Zaitsev, of Eden Prairie, MN, hereby assign to SVZ Technologies, LLC, a limited liability company of Minnesota having a place of business at P.O. Box 44141, Eden Prairie, MN 55344, and its successors and assigns (collectively hereinafter "the Assignee"), the entire right, title, and interest for the United States and all foreign countries in and to any and all inventions and improvements that are disclosed in the patent applications identified herein below in Annex A, including the entire right, title, and interest in all provisional, non-provisional, divisional, continuation, reissue, substitute, reexamination, post-grant review, international and foreign applications that are filed on any of said inventions and improvements, as well as all United States and foreign patents, utility models, and design registrations granted on any of said inventions or improvements. Said assignment to Assignee further includes the right to claim priority based on the filing date of said application(s) under the International Convention for the Protection of Industrial Property, the Patent Cooperation Treaty, the European Patent Convention, and all other treaties of like purposes.

I authorize the Assignee to apply in all countries in my name or in its own name for patents, utility models, design registrations, and like rights of exclusion and for inventors' certificates for said inventions and improvements.

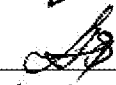

I agree for myself and my respective heirs, legal representatives, and assigns, without further compensation, to cooperate with Assignee in the prosecution of all applications and patents on said inventions and improvements, and to perform any other lawful actions that Assignee may reasonably request to obtain or maintain said applications and patents on said inventions and improvements in any and all countries.
