and in and to said application and all divisional, continuing, substitute, renewal, reissue, and all
other applications for Letters Patent which have been or shall be filed in the United States or
worldwide on any of said improvements; and in and to all original and reissued patents which
have been or shall be issued in the United States or worldwide on said improvements;

Agree that said Assignee may apply for and receive Letters Patent for said improvements
in its own name; and that, when requested, without charge to but at the expense of said Assignee,
its successors, assigns and legal representatives, to carry out in good faith the intent and purpose
of this assignment, the undersigned will execute all divisional, continuing, substitute, renewal,
reissue, and all other patent applications on any and all said improvements; execute all rightful
oaths, declarations, assignments, powers of attorney and other papers; communicate to said
Assignee, its successors, assigns and representatives, all facts known to the undersigned relating
to said improvements and the history thereof; and generally do everything possible which said
Assignee, its successors, assigns or representatives shall consider desirable for aiding in securing
and maintaining proper patent protection for said improvements and for vesting title to said
