ASSIGNMENT

FOR GOOD and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the undersigned inventor intending to be legally bound;

HEREBY SELLS, assigns and transfers to Immunomedics, Inc., of 300 American Road, Morris Plains, New Jersey 07950, its successors, assigns and legal representatives, the entire right, title and interest for the United States and all foreign countries, in and to any and all inventions which are disclosed in the application for United States Letters Patent, which has been executed by the undersigned and which is entitled **Improved Detection and Therapy of Lesions with Biotin/Avidin-Metal Chelating Protein Conjugates**, and was filed May 17, 1993, as U.S. Serial No. 08/062,662 and in and to said application and all divisional, continuation, substitute, renewal, reissue, and all other applications for Letters Patent which have been or shall be filed in the United States and all foreign countries on any of said inventions, including the right to claim in other countries the right of priority of any of said applications under the (Paris) International Convention; and in and to all original and reissued patents which have been or shall be issued in the United States and all foreign countries on said inventions;

AGREES THAT said Assignee may apply for and receive Letters Patent for said inventions in its own name, and that, Assignee, its successors, assigns and legal representatives, to carry out in good faith the intent and purpose of this Assignment, the undersigned will execute all divisional, continuation, substitute, renewal, reissue, and all other patent applications on any and all said inventions, execute all rightful oaths, Assignments, Powers of Attorney and other papers, communicate to said Assignee, its successors, assigns, and legal representatives, all facts known to the undersigned relating to said inventions and the history thereof; and generally do everything possible which said Assignee, its successors, assigns and legal representatives shall consider desirable for aiding in securing and maintaining proper patent protection for said inventions and for vesting title to said inventions and all applications for patents and all patents on said inventions, in said Assignee, its successors, assigns and legal representatives; and

COVENANTS WITH said Assignee, its successors, assigns and legal representatives that no Assignment, grant, mortgage, license or other Agreement affecting the rights and property herein conveyed have been made to others by the undersigned, and that full right to convey the same as herein expresses is possessed by the undersigned.

REEL 596 FRAME 01

The undersigned hereby grants Gilbert W. Rudman, Esq., the power to insert in this Assignment any further identification which may be necessary or desirable to comply with the rules of the U.S. Patent and Trademark Office for recordation of this Agreement.
