ASSIGNMENT

For valuable consideration, I, Michael LIEBOWITZ of Concord, California; Jay THOMAS of Folsom, California; Trevor FERRUGGIA of Elk Grove, California, as co-inventors of the improvements and/or invention identified below, hereby assign to Pandol Bros., Inc., a California corporation, having a place of business in Delano, California, and its successors and assigns (collectively hereinafter called "the Assignee"), my entire right, title and interest in the United States of America and throughout the world in the inventions and/or improvements which are the subject of an Application for United States Patent entitled:

LIGHTWEIGHT FRUIT AND PRODUCE PACKAGING CONTAINER,

filed on or about May 5, 2011, and assigned U.S. Serial Number 13/102,009.

This Assignment includes said Application, any and all United States and foreign patents, utility models, and design registrations granted for any of said inventions and/or improvements, and the right to claim priority based on the filing date of said Application under the Patent Cooperation Treaty, and all other treaties of like purposes; and I authorize the Assignee to apply in all countries in my name or in its own name for patents, utility models, design registrations and like rights of exclusion and for inventors' certificates for said inventions and/or improvements; and I agree for me and my respective heirs, legal representatives and assigns, without further compensation to perform any such lawful acts and to sign any such further applications, assignments, Preliminary Statements and other lawful documents as the Assignee may reasonably request to effectuate fully this Assignment.

This Assignment executed on the date(s) indicated below.
