ASSIGNMENT

Att'y. Docket No. 5028-105

WHEREAS, the undersigned, hereinafter referred to collectively as Assignor, has invented:

BEST BACKHAUL AVAILABLE LINK QUALITY

for which Assignor is about to make or has made a United States or an International application for patent which was:

- ☒ executed on the same date as the signature(s) appearing below, preparatory to filing;
- ☐ executed on _____, _____, and _____, preparatory to filing; or
- ☐ filed on _____, and assigned Serial No. _____ or PCT International Application No. _____;
- ☐ U.S. Patent No. _____, issued _____; and

WHEREAS, **Oceus Networks, Inc.**, 1895 Preston White Drive, Suite 300, Reston, Virginia 20191, USA, hereinafter referred to as Assignee, is desirous of acquiring an interest therein:

NOW, THEREFORE, for good and valuable consideration, the receipt and adequacy whereof is hereby acknowledged, Assignor by these presents does sell, assign and transfer unto Assignee and its successors in interest, the full and exclusive right, title and interest in the United States of America and all foreign countries, including the right to claim priority under the laws of the United States, the Paris Convention, and any foreign countries, to the said invention as described in the aforesaid application, said application for patent and all Letters Patent therefor to be held and enjoyed by Assignee to the full end of the term for which said Letters Patent are granted and any extensions thereof as fully and entirely as the same would have been held by Assignor had the present Assignment and sale not been made, and the right to recover for past infringements of, or liabilities for, any of the rights relating to any of said applications or patents resulting therefrom;

Assignor hereby covenants and agrees to execute all instruments or documents required or requested for the making and prosecution of any applications of any type for patent in the United States and in all foreign countries including, but not limited to, any provisional, continuation, continuation-in-part, divisional, renewal or substitute thereof, and as to letters patent any reissue, re-examination, or extension thereof, and for litigation regarding, or for the purpose of protecting title and to the said invention, the United States application for patent, or Letters Patent therefor, and to testify in support thereof, for the benefit of Assignee without further or other compensation than that above set forth;

Assignor hereby covenants that no other assignment, sale or agreement or encumbrance has been or will be entered into which would conflict with the present Assignment; and

Assignor hereby requests the Commissioner of Patents and Trademarks to issue said Letters Patent of the United States of America to Assignee, and requests that any official of any country or countries foreign to the United States, whose duty it is to issue or grant patents and applications as aforesaid, to issue said Letters Patent, Utility Model Registration or Inventor's Certificate to Assignee.
