ASSIGNMENT

Whereas we, Annette Marie Stroud, Diner Mondragón, and Johnny Lamar Brown have invented certain new and useful improvements in Mats (hereinafter the "Invention") described in a U.S. Patent Application entitled "Vehicular Floor Mat System", which was filed on 18-FEB-2015 as Application No. 14/624689;

And, whereas we desire to assign a 100% undivided interest in said Invention, said application disclosing the Invention and any patent which may be granted therefore to Remington Industries (hereinafter referred to as the "Assignee"), a corporation having its place of business at 8822 Production Lane, Suite 101, Ooltewah, TN, and whereas Assignee is desirous of acquiring the entire right, title and interest in the same;

Now, this indenture witnesseth, for the sum of one dollar (\$1.00) and other good and valuable consideration, the receipt whereof is hereby acknowledged, we hereby assign, sell and transfer a 100% undivided interest in said invention, said application, including any divisions, continuations, and continuations-in-part thereof, and in and to any patents of the United States, and countries foreign thereto, which may be granted for said Invention, and in and to any and all priority rights, Convention rights, and other benefits accruing or to accrue to us with respect to the filing of applications for patents or securing of patents in the United States and countries foreign thereto, unto said Assignee;

And we hereby authorize and request the Director of the United States Patent and Trademark Office to issue said United States patent to said Assignee, as assignee of the whole right, title and interest thereto;

And we further agree to execute all necessary and lawful future documents, including assignments in favor of Assignee, or its designees as Assignee or its Assignees may from time-to-time present to us in order to perfect title in said Invention, modifications, and improvements in said Invention, applications and patents of the United States and countries foreign thereto;

And we further agree to sign and properly execute such necessary and lawful papers for application for foreign patents, for filing divisions, continuations and continuations-in-part of said application for patent, and/or, for obtaining any reissue or reissues of any patents that may be granted for our aforesaid Invention, as the Assignee thereof shall hereafter require and prepare at its own expense.
