Exhibit "C"

PATENT ASSIGNMENT

WHEREAS, HYDRA-QUIP, INC., corporation organized and existing under the laws of the State of Michigan, having its principal place of business at 40950 Woodward Ave., Dearborn, MI, 48124 ("HYDRA-QUIP"), and AMI HOSE, LLC, a limited liability company organized and existing under the laws of the State of Michigan, having its principal place of business at 1751 Industrial St., South St. Paul, MI ("AH"), have executed a Purchase Agreement For Sale Of Business Assets ("Purchase Agreement") dated December 5th, 2013.

WHEREAS, HYDRA-QUIP represents and warrants that it is the owner of all right, title and interest in and to United States Patent Application Serial No. 12/355,191 filed on January 16, 2009 and entitled "Convolutd Coated Braided Hose Assembly And Method Of Making Same", including any and all inventions identified therein, any and all patents which issue therefrom, and any and all patent applications and the patents which result therefrom, both domestic and foreign, which claim priority thereto (the "Patent"), subject to the resolution of the dispute identified in the Patent and Intellectual Recital attached as Exhibit D to the Purchase Agreement for Sale of Business Assets executed on December 5th, 2013,

WHEREAS, United States Patent Application Serial No. 12/355,191 issued as United States Patent No. 8,418,720 on April 16, 2013.

WHEREAS, United States Patent Application Serial No. 13,296,353 was filed on November 15, 2013 and is a divisional of United States Patent Application Serial No. 12/355,191.

WHEREAS, pursuant to the Purchase Agreement, HYDRA-QUIP has agreed to assign and transfer its entire right, title and interest in and to said Patent to AH.

NOW THEREFORE, TO ALL WHOM IT MAY CONCERN: Be it known that, in consideration of the covenants and agreements contained in the Purchase Agreement, and other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, HYDRA-QUIP does hereby absolutely, unconditionally and irrevocably sell, transfer, convey and assign to AH, its successors and assigns, HYDRA-QUIP's entire right, title and interest in and to said Patent that may be granted for the inventions identified in the Patent, as well any improvements thereto, including divisions, reissues, subdivisions, continuations and prolongations thereof, including the right to sue and collect damages for past infringement thereof, to have and to hold for the sole and exclusive use and benefit of AH, its successor and assigns, to the full end of the term or terms for said Patent.

HYDRA-QUIP does hereby covenant and agree, for itself and its successors and assigns, that, following the execution of this assignment, it will assist AH in vesting in AH like exclusive title in and to all of said Patent, and that it will execute and deliver to AH any and all additional papers that may be requested by AH to fully carry out the terms of this assignment.

And HYDRA-QUIP does hereby authorize and request the Commissioner of Patents to issue all Letters Patent of the United States that may be granted pursuant to the Patent to AH, its successors and assigns, in accordance with this assignment.

IN WITNESS WHEREOF, I have hereunto set my hand and seal this 23rd day of December, 2013.

HYDRA-QUIP, INC.
