CO-INVENTOR'S ASSIGNMENT OF KRISTOPHER BARNINGS

A listing of the Parties is found in the signature portion of this agreement.

Whereas, I (we), the Co-Inventor(s) have contributed to the development of one or more of the inventions included in the "US Patent Application List" (included below); and

Whereas, CP Security, LLC of Amarillo, TX, hereafter referred to as Assignee, is desirous of acquiring the entire right, title and interest in the same;

Now, therefore, in consideration of equity in the Assignee, good and valuable consideration and \$0, I, the Co-inventor by these present do sell, assign and transfer unto said assignee the full and exclusive right to the said invention and the entire rights, title and interest in and to any and all Patents which may be granted therefore.

I hereby authorize and request the Director of the U.S. Patent and Trademark Office to issue said United States Patent to said assignee, of the entire right, title, and interest in and to the same, for his sole use and behoof; and for the use and behoof of his legal representatives, to the full end of the term for which said Patent may be granted, as fully and entirely as the same would have been held by me had this assignment and sale not been made.

Executed this 18th day of April, 2014 in Texas.
