ASSIGNMENT

WHEREAS, we ROMAIN MARZULLO, residing at 1 rue boyer fonfrede, F-31000, Toulouse, France and BERNARD MARZULLO residing at n° 10 ZA Trouillas, F-66300, Trouillas, France invented certain new and useful improvements in and to the invention entitled:

DEVICE FOR COVERING A PIPELINE FROM A WELLBORE

described in an application for Letters Patent filed on 02-Jan-2015, and accorded United States Application No. 14/412,639, which is a national phase of International Application PCT/FR2013/051599, filed 05 July 2013, which claims priority to French National Patent Application Nos. 1256520 (FR) filed on 06 July 2012 and 1260909 (FR) filed 16 November 2012 (hereinafter collectively the "Invention").

AND, WHEREAS, DAKEEZ FRANCE, a French company having an office at 5 rue de la Pomme, BP40517, 31005 Toulouse Cedex 6, France (hereinafter "ASSIGNEE"), is desirous of acquiring certain rights to the Invention including all patents and patent applications thereto;

NOW, THEREFORE, in view of good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, we do hereby sell, assign and transfer unto said ASSIGNEE, its successors, assigns and legal representatives, my entire right, title and interest in and throughout the United States of America (including its territories and dependencies) and all countries foreign thereto in and to said Invention including said United States patent application(s), any other United States patent application(s), including provisional, divisional, renewal, substitute, continuation, reexamination and reissue applications, based in whole or in part on said United States patent application or in whole or in part on said Invention, any foreign applications, including international and regional applications, based in whole or in part on any of the aforesaid United States applications or in whole or in part on said Invention, in and to any and all letters patent, including extensions thereof, of any country which have been or may be

granted on any of the aforesaid applications or on said Invention or any part(s) thereof, and in and to any right to claim priority to any of the aforesaid patents and/or patent applications;

AND we hereby authorize and request our agent, FINNEGAN, HENDERSON, FARABOW, GARRETT & DUNNER, L.L.P., whose address is 901 New York Avenue, NW Washington, DC 20001-4413, United States of America, to insert hereon any identification necessary or desirable for recordation of this document, including the filing date and application number of said application when known.

AND we hereby agree for ourselves and our heirs, executors and administrators to execute without further consideration any further documents and instruments which may be necessary, lawful and proper in the prosecution of said above-referenced application or in the preparation or prosecution of any continuing, substitute, divisional, renewal, reexamination or reissue application or in any amendments, extensions or interference proceedings, or other applications for patents of any region or country, that may be necessary to secure to ASSIGNEE its interest and title in and to said Invention or any part(s) thereof, and in and to said several patents or any of them;

AND we hereby covenant for ourselves and our legal representatives, and agree with said ASSIGNEE, its successors and assigns, that I have granted no right or license to make, use, sell or offer to sell said Invention, to anyone except said ASSIGNEE, that prior to the execution of this deed, my right, title and interest in said Invention had not been otherwise encumbered, and that we have not and will not execute any instrument in conflict therewith;

AND we do hereby authorize and request the United States Commissioner for Patents to issue any and all letters patent which may be granted upon said United States applications, or upon said Invention or any part(s) thereof when granted, to said ASSIGNEE;

IN WITNESS WHEREOF, we have hereunto set our hand and seal.
