**COMBINED DECLARATION AND  
ASSIGNMENT FOR PATENT APPLICATION**

As a below named inventor, I hereby declare that:

My residence and post office address are as stated below next to my name.

The above-identified application was made or authorized to be made by me.

I believe I am the original, first and sole inventor (if only one name is listed below) or an original, first and joint inventor (if plural names are listed below) of the subject matter which is claimed and for which a patent is sought on the invention entitled:

POWER PRODUCING GAS SEPARATION SYSTEM AND METHOD

the Specification of which (check one):

☒ is attached hereto

or

☐ was filed on \_\_\_\_\_ as United States Application Number or PCT International Application Number \_\_\_\_\_ and was amended on \_\_\_\_\_ (if applicable).

I hereby state that I have reviewed and understand the contents of the above-identified specification, including the claims, as amended by any amendment specifically referred to above.

I acknowledge the duty to disclose information which is material to patentability as defined in 37 CFR § 1.56, including for continuation-in-part applications, material information which became available between the filing date of the prior application and the national or PCT international filing date of the continuation-in-part application.

- ☐ If checked, the undersigned hereby grants the USPTO authority to provide the European Patent Office (EPO), the Japan Patent Office (JPO), and any other intellectual property offices in which a foreign application claiming priority to the above-identified application is filed access to the above-identified patent application. See 37 CFR 1.14(c) and (h). This box should not be checked if the applicant does not wish the EPO, JPO, or other intellectual property office in which a foreign application claiming priority to the above-identified application is filed to have access to the application.

In accordance with 37 CFR 1.14(h)(3), access will be provided to a copy of the application-as-filed with respect to: 1) the above-identified application, 2) any foreign application to which the above-identified application claims priority under 35 USC 119(a)-(d) if a copy of the foreign application that satisfies the certified copy requirement of 37 CFR 1.55 has been filed in the above-identified US application, and 3) any US application from which benefit is sought in the above-identified application.

In accordance with 37 CFR 1.14(c), access may be provided to information concerning the date of filing the Authorization to Permit Access to Application by Participating Offices.

I hereby claim the benefit under 35 U.S.C. § 119(e) of any U.S. provisional application(s) listed below:

Application Number(s)	Filing Date (MM/DD/YYYY)

I hereby declare that all statements made herein of my own knowledge are true and that all statements made on information and belief are believed to be true; and further that these statements were made with the knowledge that willful false statements and the like so made are punishable by fine or imprisonment, or both, under 18 U.S.C. § 1001 and that such willful false statements may jeopardize the validity of the application or any patent issued thereon.

### ASSIGNMENT

IN CONSIDERATION of the sum of One Dollar (\$1.00) to me in hand paid, and for other good and valuable consideration, receipt and sufficiency of which I hereby acknowledge, I, the undersigned inventor or joint inventor of a certain invention or discovery in

### POWER PRODUCING GAS SEPARATION SYSTEM AND METHOD

and being the owner of all right, title and interest in and to said application and invention, warranting that I have not granted or agreed to grant to others any assignments, licenses, mortgages, or other rights or encumbrances regarding said application and invention, and believing that I have full right to convey the entire interest, both legal and equitable herein assigned, do hereby sell, assign, transfer and set over unto

FUELCELL ENERGY, INC., a corporation organized and existing under and by the virtue of the laws of the State of Delaware, and having an office and place of business at 3 Great Pasture Road, Danbury, Connecticut 06813, as the Assignee and to its successors,

assigns and nominees, the entire right, title and interest in and to said application and invention together with any and all other applications and patents either United States or foreign upon the same invention which I may now or hereafter have, and all divisions, reissues, continuations, continuations-in-part, substitutions and extensions thereof and all rights to obtain patents thereon, together with the right to apply for letters patent in foreign countries with full benefit of such priorities as may now or hereafter be granted to me by law or by treaty, including any international convention.

And I hereby covenant and agree that I will communicate to said Assignee,

FUELCELL ENERGY, INC., its successors,

assignees and nominees, all facts known to me respecting said invention and will, upon their request at any time, but without expense to me sign all lawful papers, execute all original, divisional, substitute, continuing and reissue applications and assignments, make all rightful oaths, testify as to facts relating to said invention in any legal proceedings, and generally do everything reasonable and proper to aid said Assignee,

FUELCELL ENERGY, INC., its successors,

assigns and nominees, to receive proper protection for said invention in all countries.

IN WITNESS WHEREOF, I have hereunto set my hands and affixed my seals on the date indicated hereinafter,
