INVENTION AND KNOW HOW ASSIGNMENT

Assignor: Adriana Di Campli

Assignee: BELFORTGLASS LLC

Invention: ECONOMICAL GLASS IMAGE ENCAPSULATION PROCESS: Application number: 13/347,781

This Agreement for the transfer of an invention and any know how derived from the invention (the "Assignment"), is made and entered into by and between Adriana Di Campli ("Assignor"), and Belfortglass LLC ("Assignee"). Assignor and Assignee hereinafter shall be referred to collectively as the "Parties" and individually as the "Party."

WHEREAS, Assignor is the Previous Assignee whom derived her interest from Roberto Di Campli in the invention titled "Economical Glass Image Encapsulation Process" and in any know how derived from the invention.

WHEREAS, the Assignor assigns to the Assignee the rights to his invention for one dollar (\$1.00) as consideration.

1. Assignment. Assignor hereby assigns to Assignee, its successors and assigns, all of Assignor's World right, title and interest in and to the above titled invention and to any know how, whether past or present, derived from said invention .

2. Further Assurances. Assignor shall timely execute and deliver any additional documents and perform such additional acts necessary or desirable to record and perfect the interest of Assignee in and to the invention or to any know how derived from the invention, and shall not enter into any agreement in conflict with this Assignment.

3. **Governing Law.** This Assignment shall be governed by and construed in accordance with the laws of the State of Florida, without regard to the conflicts of law rules of such state or country.

4. **Venue.** Should a conflict arise between the Parties to this Agreement, the venue to file any action shall be in Miami-Dade County, Florida, USA unless otherwise waived by both Parties in writing.

5. **Attorney's Fees.** In any litigation arising under or relating to this Agreement between the Parties hereto, the prevailing party will be entitled to recover its reasonable attorneys' fees and litigation costs.

6. **Counterparts.** This Assignment may be executed in one or more counterparts, each of which shall be deemed an original, and all of which together shall constitute one and the same agreement.

IN WITNESS WHEREOF, the Parties have caused this Assignment to be executed by their duly authorized representative (s).

The undersigned declare under penalty of perjury that the foregoing is true and correct.
