ASSIGNMENT

THIS ASSIGNMENT ("Assignment") is made on the ¹²~~25~~ day of February, 2015 by and between NEU ENGLAND SCIENCES, LLC., ("Neu England") a Connecticut corporation, (the "Assignor"); and VYCOR MEDICAL, INC., a Delaware corporation (the "Assignee").

A. WHEREAS, Assignor represents and warrants that, by virtue of an assignment recorded with the United States Patent Office at Reel 033408, Frame 0924, it is the owner of all rights and unencumbered title to:

- United States Patent Application No. 11/665,667,
- United States Patent Application No. 14/134,360,
- United States Provisional Application No. 60/622,991, and
- International Application No. PCT/US2005/038828,

and all applications and patents arising from or related thereto (collectively the "Intellectual Property").

B. WHEREAS, the Assignor has agreed to transfer, sell, convey, assign and deliver to the Purchaser, and the Purchaser has agreed to purchase, acquire and accept from the Assignor, all right, title and interest of the Assignor in, to and under the Intellectual Property.

NOW, THEREFORE, for good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the parties, intending to be legally bound, agree as follows:

1. The Assignor hereby transfers, sells, conveys, assigns and delivers to the Purchaser, and the Purchaser hereby purchases, acquires, accepts and assumes, the Assignor's entire right, title and interest in, to and under the Intellectual Property, including any provisionals, continuations, divisionals, continuations-in-part, reexaminations, reissues, and other post-grant rights thereof; the right to claim priority thereto in all countries in accordance with international law; and all of Assignor's rights that the Assignor may have anywhere in the world to sue, settle and collect damages for any past infringement of the Intellectual Property.
2. From time to time, and when requested by the Purchaser, the Assignor shall execute and deliver, or cause to be executed and delivered, all such documents and instruments and shall take, or cause to be taken, all such further or other actions as the Assignee may reasonably deem necessary or desirable to consummate and record this Assignment in any and all jurisdictions throughout the world, including promptly executing and delivering to the Assignee such assignments and other instruments as the Assignee or its counsel may reasonably request as necessary or desirable for such purpose, at the Assignee's sole expense.
3. This Assignment may be executed in two or more counterparts, each of which shall be deemed an original, and it shall not be necessary in making proof of this Assignment to produce or account for more than one set of counterparts signed by all of the parties.

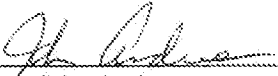

4. This Assignment shall become effective on the Effective Date.

5. This Assignment shall be governed by, and construed and enforced in accordance with the internal laws of the state of Delaware without regard to its choice-of-law principles.

IN WITNESS WHEREOF, the parties hereto, intending to be legally bound, have by their respective duly authorized representatives identified below caused this Agreement to be executed the day and year first written above.
