PATENT ASSIGNMENT

For good and valuable consideration, the receipt of which is hereby acknowledged, I,

Richard James Taylor, a citizen of the United Kingdom, residing at 8 Bramble Close, Kendal, Cumbria, LA9 6FF, United Kingdom

(hereinafter, "Assignor"), who, having created, and believing myself to be an original inventor of, a certain invention entitled:

SLIP

and for which an application for U.S. Letters Patent was filed as **U.S. Application No. 14404511** (corresponding to PCT/GB2013/051531);

do hereby sell, assign and transfer to:

BALLTEC LIMITED, a Company of the United Kingdom, having its principal place of business at Unit 2B, The Gateway, White Lund Industrial Estate, Morecambe, Lancashire LA3 3PB, United Kingdom

(hereinafter, "Assignee"), its successors, assigns, and legal representatives, the full and exclusive right to said invention and said application and to any and all inventions described in said application for the United States, and its territorial possessions, and the entire right, title and interest in and to any and all Letters Patent which may be granted therefor in the United States, and its territorial possessions; and in and to any and all continuations-in-part, continuations, divisions, substitutes, reissues, extensions thereof, and all other applications for Letters Patent relating thereto which have been or shall be filed in the United States and its territorial possessions;

I authorize Assignee to apply for and receive Letters Patent for such protection in its own name, in the United States and its territorial possessions; and that, when requested to carry out in good faith the intent and purpose of this assignment, at the expense of said Assignee, but without charge to Assignee, its successors, assigns and legal representatives, the undersigned will execute all continuations-in-part, continuations, divisions, substitutes, reissues, and extensions thereof, execute all rightful oaths, assignments, powers of attorney and other papers, testify in any legal or quasi legal proceedings; communicate to said Assignee, its successors, assigns, and legal representatives all facts known to the undersigned relating to said invention and the history thereof; and generally do everything possible which said Assignee, its successors, assigns or legal representatives shall consider desirable for aiding in securing, maintaining and enforcing proper patent protection for said invention and for vesting title to said invention and all applications for patents on said invention in said Assignee, its successors, assigns and legal representatives; and

Covenant with said Assignee, its successors, assigns and legal representatives that no assignment, grant, mortgage, license or other agreement affecting the rights and property herein conveyed has been made to others by the undersigned, and that full right to convey the same as herein expressed is possessed by the undersigned.

Richard James Taylor
