ASSIGNMENT

WHEREAS we, Timothy T. Spath of 1620 Lauderdale Avenue, Lakewood, Ohio 44107 and Will Roberts of 1011 Lake Avenue, Elyria, Ohio 44035 (hereinafter referred to as Assignors), have invented new and useful improvements in:

PLUG RETENTION SYSTEM FOR A BRAKE ACTUATOR

which is set forth in a United States Patent Application executed on even date herewith and filed on March 2, 2015 and having Serial No. 14/635,227.

AND WHEREAS, Bendix Spicer Foundation Brake LLC (hereinafter referred to as Assignee), of 901 Cleveland Street, Elyria, Ohio 44035, is desirous of acquiring the entire right, title, and interest in and to said invention and said application for Letters Patent of the United States, and in and to Letters Patent or Patents, United States or foreign, to be obtained therefor and thereon:

NOW THEREFORE, be it known by all whom it may concern, that for and in consideration of One Dollar (\$1.00) and other good and valuable consideration, the receipt and adequacy of which are hereby acknowledged, the Assignors have assigned, sold and set over, and by these presents assign, sell and set over unto the Assignee, its successors, legal representatives and assigns, for the territory of the United States of America and all foreign countries, the entire right, title and interest in and to said invention, said application for Letters Patent, including the right to file foreign patent applications corresponding to said application, and the right to claim the date of said application for Letters Patent and any legal equivalents thereof, and any and all Letters Patents in the United States of America and all foreign countries which may be granted therefor and thereon, and to any and all divisions, continuations, and continuations-in-part of said application, or reissues or extensions of said Letters Patent or Patents prepared and executed by Assignors on even date herewith, the same to be held and enjoyed by the Assignee, as fully and entirely as the same would have been held by the Assignors had this Assignment and sale not been made.

AND the Assignors hereby covenant and agree that the Assignors will at any time upon the request and at the expense of the Assignee execute and deliver any and all papers and do all lawful acts that may be necessary or desirable to perfect the title to said invention and to obtain Letters Patent therefor, and the Assignors hereby authorize and request the Commissioner of Patents to issue said Letters Patent to said Assignee in accordance with this Agreement.

AND the Assignors hereby grant the following individuals the power to insert on this Assignment the date of filing of the application and the application serial number and any further
