ASSIGNMENT

WHEREAS, Jackel Holdings Victoria Pty Ltd, now by change of name known as Pipsan Holdings Victoria Pty Ltd, as Trustee for Jackel HB Acquisition Trust, an Australian Company limited by shares, having a place of business at Unit 9A, 9-11 South Street, Rydalmere, Australia NSW 2116 (hereinafter referred to as Assignor), has previously acquired the entire right, title and interest in and to certain new and useful improvements in the invention and United States utility patent as follows:

United States Utility Patent No. 8,302,804, entitled Inventions
Relating to Drinking Vessels, issued November 6, 2012

WHEREAS, Jackel International Limited, a company incorporated in England and Wales having Registration No. 01894022, having a place of business at Northumberland Business Park West, Cramlington, Northumberland, NE23 7RH, United Kingdom, (hereinafter referred to as Assignee), is desirous of acquiring the entire right, title and interest in and to said invention and in and to any Letters Patent that may be or have been granted therefore in the United States and in any and all foreign countries.

NOW, THEREFORE, in consideration of the sum of one dollar (\$1.00), the receipt of which is hereby acknowledged, and for other good and valuable considerations, Assignor hereby sells, assigns and transfers unto said Assignee the full and exclusive right, title and interest in and to the said invention in the United States and in all foreign countries and the entire right, title and interest in and to any and all Letters Patent which may be or have been granted therefore in the United States and in any and all foreign countries including the utility patent set forth above, and in and to any and all divisions, reissues, continuations, continuations-in-part, and extensions thereof including the full right to claim for any such applications the benefits of the International Convention, together with the right to recover damages for any and all past infringement thereof, as well as any and all rights under any causes of action having accrued heretofore with respect to the said invention and Letters Patent in the United States, its territories, and in any and all foreign countries.

Assignor hereby authorizes and requests the Patent Office Officials in the United States and in any and all foreign countries to issue any and all of said Letters Patent, when granted, to said Assignee as the owner of the entire right, title and interest in and to the same, for the sole use and behoof of said Assignee, its successors and assigns.

FURTHER, Assignor agrees to communicate to said Assignee or its representatives any facts known to Assignor respecting said invention, and testify in any legal proceeding, sign all lawful papers, execute all divisional, continuation, continuation-in-part, substitution, renewal, and reissue applications, execute all necessary assignment papers to cause any and all of said Letters Patent to be issued to said Assignee, make all rightful oaths and generally do everything possible to

aid said Assignee, its successors and assigns, to obtain and enforce proper protection for said invention and the said Letters Patent in the United States and in any and all foreign countries.

IN TESTIMONY WHEREOF, Assignor has hereunto executed this assignment on this 25th day of February, 2015, by its duly authorized and legal representative.
