[illegible]

RELEASE OF PATENT COLLATERAL AGREEMENT

This RELEASE OF PATENT COLLATERAL AGREEMENT (this "Release"), dated as of March 6, 2015, by U.S. BANK NATIONAL ASSOCIATION (the "Collateral Agent"), in favor of ROMARK LABORATORIES, L.C., a Florida limited liability company (the "Issuer"), ROMARK MANUFACTURING, LLC ("Romark Manufacturing"), LAPICOR, N.V. ("Lapicor"), and together with the Issuer and Romark Manufacturing, each, a "Grantor", and collectively, the "Grantors").

WITNESSETH:

WHEREAS, pursuant to a Collateral Agreement, dated as of August 30, 2013, by and among the Grantors, the Collateral Agent and the other parties party thereto (the "Collateral Agreement"), each Grantor granted to the Collateral Agent a first-priority lien and security interest in its Proprietary Rights (subject to Permitted Liens) including the patents and patent applications;

WHEREAS, pursuant to the Collateral Agreement, the Grantors executed and delivered to the Collateral Agent a Patent Collateral Agreement, dated as of August 30, 2013, which Patent Collateral Agreement was recorded with the United States Patent and Trademark Office ("USPTO") on September 4, 2013, in Reel 031156, Frame 0923; and

WHEREAS, the Collateral Agent has agreed to release all of its rights in the collateral secured by the Patent Collateral Agreement, including, without limitation, the patents and patent applications listed on Schedule I attached hereto (the "Released Patent Collateral"), and to reconvey any and all rights it may have in the Released Patent Collateral to the Grantors.

NOW, THEREFORE, for other good and valuable consideration, including the satisfaction of all obligations, indebtedness and liabilities secured by the Patent Collateral Agreement, the receipt and sufficiency of which are hereby acknowledged, the Collateral Agent hereby agrees as follows:

1. DEFINED TERMS. All capitalized terms used but not otherwise defined herein have the meanings given to them in the Collateral Agreement or Patent Collateral Agreement.

2. TERMINATION AND RELEASE OF GRANT OF SECURITY INTEREST IN PATENT COLLATERAL. The Collateral Agent hereby releases in its entirety all security interests, including the first-priority lien, granted pursuant to the Patent Collateral Agreement. Collateral Agent hereby reconveys to each Grantor, without recourse or warranty, all of Collateral Agent's right, title, claim and interest in and to the Released Patent Collateral, including, but not limited to:

(a) all of the patents and patent licenses set forth in Schedule I hereto (the "Patents");

(b) all divisional, continuations, continuations-in-part, reissues, reexaminations, or extension of the foregoing; and

(c) all products and proceeds of the Patents, including any claim by such Grantor against third parties for past, present or future (i) infringement of any Patent or and Patent exclusively licensed under any license, including the right to receive any damages or (ii) right to receive license fees, royalties and other compensation under any license.

3. RECORDATION. The Collateral Agent hereby authorizes and requests the Commissioner of Patents and Trademarks of the United States to record this Release of the first-priority lien and security interest in the Patent Collateral.

4. FURTHER ASSURANCE. The Collateral Agent hereby agrees to, at the sole expense of the Grantors, duly execute, acknowledge, procure and deliver any further documents, including, but not limited to, those documents necessary under Article 9 of the Uniform Commercial Code or other applicable law, and to do such other acts as may be reasonable necessary to effect the release of the first-priority lien and security interest in the Patent Collateral contemplated hereby.

5. MODIFICATION. This Release may not be modified, nor may any provision hereof be waived, orally or in any manner other than by an agreement in writing signed by the parties hereto or their respective successors and assigns.
