DECLARATION AND ASSIGNMENT

As a below named inventor, I hereby declare that:

This declaration is directed to the attached application, as follows:

Title: Computer Security System and Method to Protect Against Keystroke Logging

Inventors: Gon Yi
William C. Smith
Connie Marie Ardwin

The above-identified application was made or authorized to be made by me.

I believe that I am the original inventor or an original joint inventor of a claimed invention in the application.

I have reviewed and understand the contents of the above-identified application, including the claims.

I acknowledge the duty to disclose information which is material to patentability as defined in Title 37 Code of Federal Regulations §1.56.

I hereby acknowledge that any willful false statement made in this declaration is punishable under 18 U.S.C. §1001 by fine or imprisonment of not more than five (5) years, or both.

WHEREAS, I, Gon Yi, of Conway, AR ("Assignor"), together with the other inventors listed above, have invented certain new and useful improvements in an invention with title as set forth above, and as presented in a United States patent application with that same title and being filed herewith;

WHEREAS, Axiom Corporation, a Delaware corporation, having an office and place of business at 601 E. Third St., Little Rock, AR 72201 ("Assignee") is desirous of acquiring the entire right, title and interest in said invention, in said applications, and in any Letters Patent or Patents, United States or foreign, to be obtained therefrom;

NOW, THEREFORE, for good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, Assignor does hereby assign, sell, transfer and set over, unto Assignee, its successors, legal representatives and assigns, the entire right, title and interest in and to the above mentioned invention, application, and any and all Letters Patent or Patents in the United States of America and all foreign countries which may be granted therefor and thereon, including all rights to claim priority, and in and to any and all divisions, continuations, and continuations-in-part of said applications, or reissues or re-examinations of said Letters Patent or Patents, and all rights under the International Convention for the Protection of Industrial Property, the same to be held and enjoyed by Assignee, for its own use and benefit, and the use and benefit of its successors, legal representatives and assigns, to the full end of the term or terms for which Letters Patent or Patents may be granted, as fully and entirely as the same would have been held and enjoyed by Assignor, had this sale and assignment not been made.

And for the same consideration, Assignor hereby covenants that no assignment, sale, agreement or encumbrance has been or will be entered into which would conflict with this assignment.

And for the same consideration, Assignor hereby covenants and agrees to and with Assignee, its successors, legal representatives and assigns, that Assignor will, whenever counsel of Assignee, or the

counsel of its successors, legal representatives and assigns, shall advise that any proceeding in connection with said inventions, or said application or any proceeding in connection with Letters Patent for said inventions in any country, including interference proceedings, is lawful and desirable, or that any division, continuation or continuation-in-part of any application for Letters Patent, or any reissue or extension of any Letters Patent, to be obtained thereon, is lawful and desirable, sign all papers and documents, take all lawful oaths, and do all acts necessary or required to be done for the procurement, maintenance, enforcement and defense of Letters Patent for said inventions, without charge to Assignee, its successors, legal representatives and assigns, but at the cost and expense of Assignee, its successors, legal representatives and assigns.

SIGNED this 6th day of March, 2015.
