**ASSIGNMENT**

WHEREAS, by virtue of an assignment recorded at Reel No. 031298, Frame No. 0820, effective September 27, 2013, **Adolf Würth GmbH & Co. KG**, ("Assignor"), a German corporation having a place of business at Reinhold-Wuerth-Strasse 12-17, 74653 Kuenzelsau, Germany, is the owner of certain inventions which are described in U.S. Patent Application No. 14/039,399 filed September 27, 2013 entitled "Method And Pair Of Pinching Jaws For Producing A Drilling Tip; and

WHEREAS, **Würth International AG** ("Assignee"), a Swiss corporate entity having a place of business at Aspermontrasse 1, 7000 CHUR, Switzerland, is desirous of acquiring the entire right, title and interest in and to said application and in, to, and under any and all Letters Patent to be obtained therefore, and

NOW, THEREFORE, for and in consideration of One Dollar (\$1.00) and other good and valuable consideration to Assignor in hand paid by said Assignee, the receipt of which is hereby acknowledged, Assignor has sold, assigned and transferred, and by these presents does hereby sell, assign and transfer unto the said Assignee, its successors and assigns, its entire right, title and interest in and to said application, all applications claiming priority to said application including all divisions, continuations or renewals thereof, and the Letters Patent, both foreign and domestic, that may or shall issue, there from including all reissues or extensions of such patents including all of its rights under the International Convention, and Assignor does hereby authorize and request the Commissioner of Patents to issue said Letters Patent to the above mentioned Assignee in accordance herewith.

Assignor hereby authorizes the above-mentioned Assignee, its successors and assigns, or anyone it may properly designate, to insert in this instrument the date of execution and/or filing date and application number of said application when ascertained.

Assignor further authorizes said Assignee, its successors and assigns, or anyone it may properly designate, to apply for Letters Patent, in its own name if desired, in any and all foreign countries, and additionally to claim the filing date of said United States application and/or otherwise take advantage of the provisions of the International Convention.

Upon said consideration Assignor does hereby covenant and agree with the said Assignee, its successors and assigns, that Assignor will not execute in writing or do any act whatsoever conflicting with these presents, and that Assignor or its executors or administrators will at any time upon request, without further or additional consideration, but at the expense of the said Assignee, its successors and assigns, execute such additional writings and do such additional acts as said Assignee, its successors and assigns, may deem necessary or desirable to perfect the Assignee's enjoyment of this grant, and render all necessary assistance in making application for and obtaining original, divisional, reissued or extended Letters Patent of the United States, or of any and all foreign countries on said invention, and in enforcing any rights
