ASSIGNMENT

WHEREAS, I, **Marshall MEDOFF**, have invented a certain improvement in **PROCESSING BIOMASS** described in an application for Letters Patent of the United States, the specification of which:

- is being executed on even date herewith and is about to be filed in the U.S. Patent and Trademark Office (Attorney Docket No.);
- was filed on **March 17, 2014**, as Application No. **14/215,105** (Attorney Docket No. **08895-0085007**);
- was patented under U.S. Patent No. on ;

WHEREAS, **Xyleco, Inc.** (hereinafter "ASSIGNEE"), a corporation organized and existing under the laws of **Delaware** and having a usual place of business at **271 Salem Street, Unit L, Woburn, Massachusetts, 01801**, desires to acquire an interest therein in accordance with agreements duly entered into with me;

NOW, THEREFORE, to all whom it may concern be it known that for and in consideration of said agreements and of other good and valuable consideration, the receipt of which is hereby acknowledged, I have sold, assigned and transferred and by these presents do hereby sell, assign and transfer unto said ASSIGNEE, its successors, assigns and legal representatives, the entire right, title and interest, including the right to sue for past infringement, in and throughout the United States of America, its territories and all foreign countries, in and to said invention as described in said application, together with the entire right, title and interest in and to said application and such Letters Patent as may issue thereon; said invention, application and Letters Patent to be held and enjoyed by said ASSIGNEE for its own use and behalf and for its successors, assigns and legal representatives, to the full end of the term for which said Letters Patent may be granted as fully and entirely as the same would have been held by me had this assignment and sale not been made; I hereby convey all rights arising under or pursuant to any and all international agreements, treaties or laws relating to the protection of industrial property by filing any such applications for Letters Patent, including the right to claim priority to said application; and I authorize and request the attorneys appointed in said application to hereafter complete this assignment by inserting above the application number and filing date of said application when known. I hereby acknowledge that this assignment, being of the entire right, title and interest in and to said invention, carries with it the right in ASSIGNEE to apply for and obtain from competent authorities in all countries of the world any and all Letters Patent by attorneys and agents of ASSIGNEE's selection and the right to procure the grant of all such Letters Patent to ASSIGNEE for its own name as assignee of the entire right, title and interest therein;

AND, I further agree for myself and my executors and administrators to execute upon request any other lawful documents and likewise to perform any other lawful acts which may be deemed necessary to secure fully the aforesaid invention to said ASSIGNEE, its successors, assigns and legal representatives, but at its or their own expense and charges, including the execution of applications for patents in foreign countries, and the execution of substitution,
