INTELLECTUAL PROPERTY ASSIGNMENT AGREEMENT

This Intellectual Property Assignment Agreement (the “*Agreement*”) is made and entered into as of January 30, 2015, by and between **FIVES NORTH AMERICAN COMBUSTION, INC.**, a Delaware corporation (“*Assignor*”), and **MAXCESS INTERNATIONAL CORPORATION**, a Delaware corporation (the “*Assignee*”). Capitalized terms not otherwise defined herein shall have the meaning assigned to them in the Purchase Agreement (as defined below).

RECITALS

WHEREAS, Assignor and Assignee have entered into an Asset Purchase Agreement, dated as of November 24, 2014 (the “*Purchase Agreement*”), pursuant to which Assignor has agreed to convey, transfer, assign and deliver to Assignee, the Acquired Assets, which include the Purchased Intellectual Property, for an amount of consideration equal to the Purchase Price;

WHEREAS, it is the parties’ intention to reflect the transfer of the Purchased Intellectual Property by the execution and delivery of this Agreement at the Closing; and

WHEREAS, the parties now desire to carry out the intent and purpose of the Purchase Agreement by Assignor’s execution and delivery to Assignee of this Agreement as evidence of the conveyance, transfer and assignment to Assignee of the Purchased Intellectual Property.

NOW, THEREFORE, for good and valuable consideration, the parties hereto agree as follows:

1. **Assignment**. Assignor hereby assigns, transfers, and delivers to the Assignee and its successors and assigns, and the Assignee hereby accepts, all right, title, and interest of Assignor in and to all Purchased Intellectual Property, including the Intellectual Property set forth on Schedule A attached hereto, but specifically excluding the Intellectual Property described in Schedule B attached hereto and all software licenses; together with the right to all income and damages that may be derived from all such Purchased Intellectual Property, including the right to sue for past infringement, dilution, misappropriation, and other violations thereof and to recover all damages therefrom.

2. **Relationship to Purchase Agreement**. This Agreement is being delivered pursuant to the Purchase Agreement and shall be construed consistently therewith. This Agreement is not intended to, and does not, in any manner enhance, diminish, or otherwise modify the rights and obligations of the parties under the Purchase Agreement. To the extent that any provision of this Agreement conflicts or is inconsistent with the terms of the Purchase Agreement, the terms of the Purchase Agreement shall govern. This Agreement is subject to all of the representations, warranties, covenants, exclusions and indemnities set forth in the Purchase Agreement, all of which are incorporated herein by reference.

3. **Counterparts.** This Agreement may be executed in separate counterparts (including by facsimile or .pdf format), each of which will be deemed an original but all of which will constitute but one instrument.

4. **Governing Law.** This Agreement is to be governed by, and construed and enforced in accordance with, the laws of the State of Delaware, without regard to its rules of conflict of laws.

5. **Further Assurances; Binding Effect.** At any time and from time to time, at the reasonable request of Assignee, after the execution of this Agreement, Assignor shall execute and deliver to Assignee any additional documents necessary to convey to, or vest in, Assignee all of Assignor's right, title or interest in and to the Purchased Intellectual Property.

6. **Severability.** Any term or provision of this Agreement that is invalid or unenforceable in any jurisdiction will, as to that jurisdiction, be ineffective to the extent of such invalidity or unenforceability without rendering invalid or unenforceable the remaining terms and provisions of this Agreement or affecting the validity or enforceability of any of the terms or provisions of this Agreement in any other jurisdiction. If any provision of this Agreement is so broad as to be unenforceable, the provision will be interpreted to be only as broad as is enforceable.

7. **Captions.** The captions contained in this Agreement are for convenience of reference only and do not form a part of this Agreement.
